STATEMENTS

EXTENSION OF TIME TO RESPOND ON COUNTY GOVERNMENT ASSETS

Hon. Mary Samken: Thank you. Mr. Speaker, Sir. A statement was tabled in this Assembly by Hon. Christopher Mark Said on 21st April, 2021 requesting for a response regarding the statement on County Government Assets.

Mr. Speaker, Sir, the committee sent two letters to the County Secretary vide REF: CGL/CA/CM/007/02/Vol.2/032 dated 21st April and REF: CGL/CA/CM/007/02/Vol.2/035 dated 19th May, 2021 asking his office to respond thereof. Upon his failure to respond, the committee sent another letter REF: CGL/CA/CM/007/02/Vol.2/037 dated 27th May 2021 inviting him to present himself. The County Secretary did attend the committee meeting and later presented some documents to the committee on the matter.

Mr. Speaker, the documents presented to the committee however were illegible and lacked some crucial information. The committee hereby requests for an extension of fifteen days' period so as to table a comprehensive response on the statement. Thank you.

Speaker: Thank you, Hon. Mary Samken. The statement will be responded exactly in fourteen days. That will be on next Thursday but one. Do we have another statement?

BUDGET COMMITTEE REPORT ON 2020/2021 SUPPLEMENTARY BUDGET

Hon. Wilson Wakahiu: Thank you, Mr. Speaker. Mr. Speaker, Sir, I beg to move the following motion;

THAT this Assembly adopts the report of the Budget and Appropriations Committee 2020/21 supplementary budget dated 9th June, 2021.

Mr. Speaker, on behalf of the Budget Committee I would wish to present some changes and amendments because of the supplementary budget, that have been made and proposed by the County Government of Laikipia concerning this F/Y budget which is supposed to end by the end of this month. On behalf of the Committee, I would just read some of the things that are so crucial as far as this supplementary is concerned. It is most important to mention some few things, believing that every Member has a copy in his/her possession.

The supplementary budget has been facilitated by only the reduction of the allocation for the National Government whereby in this F/Y budget estimates we had proposed that the National Government will give this County an equitable share of Kshs.4.8 billion. Later, the Senate and even the National Treasury came with a certain consensus whereby the equitable share the County was to receive is only Kshs.4.1 billion and some shillings, meaning we had a deficit of 652,760,000. This has informed the decision to prepare the supplementary budget so that the County can operate on a balanced budget by reducing some of the planned projects.

Mr. Speaker, I believe every Member knows that that happened in the budget that was supposed to come at the end of this F/Y, whereby we get a reduction from our equitable share, as I have said. The Committee for this case recommends that the House adopts the supplementary budget as proposed by the County Treasury. That will only affect the development of Kshs.652 million and some 700 thousand as I have said.

Mr. Speaker, allow me to read just some departmental allocations, and I will only read the totals:

Vote Head	**Total**
County Administration	3,297,411,687.00
Public Service Board	19,781,269.00
Finance and Planning	915,274,736.00
Laikipia County Development Authority	13,663,022.00
Revenue Board	66,759,542.00
Health and Sanitation	125,785,640.00
Nanyuki Referral Hospital	103,255,405.00
Nyahururu Referral Hospital	85,699,071.00
Agriculture	62,957,816.00
Education and Sports	125,677,793.00
Trade and Tourism	130,435,250.00
Water and Sanitation	141,398,559.00

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

Rumuruti Municipality	18,000,000.00
Infrastructure	354,998,768.00
County Assembly	596,786,041.00
Grand Total	**6,057,884,599.00**

Mr. Speaker, as I have said, most of the changes that have been affected are only to reduce the planned projects because of the deficit, as the report reads. For that case, I believe that I do not need to go into much detail because we have the budget estimates in our copies and there is a proposal that some of the projects that perhaps have been affected will be given priority in the next F/Y budget.

At this stage the committee has the report and the County Assembly too has the report which we are supposed to deliberate on maybe before the end of this F/Y. I believe that most of these projects that will not benefit out of this program will be given priority, having agreed as a House as well as at the committee level and the County Treasury also.

I would request Hon. Members to support this supplementary budget so that at least the usual disbursement of finances as per the recurrent and development; it can give the Authority that power to make sure that the running of the Government as well as the County Assembly continues as supposed. I would request the able Vice-Chair, Hon. Salma Zamzam to second this report. Thank you.

[The Speaker (Hon. Patrick Waigwa) left the Chair]

[The Deputy Speaker (Hon. Daniel Nyausi) took the Chair]

Hon. Salma Zamzam: Asante sana, Bwana Spika kwa kunipa nafasi niafiki ripoti ya bajeti ya ziada ya mwaka wa 2020/21. Jinsi ambavyo Mwenyekiti ameeleza, kila mtu aliweza kupitishwa kwenye bajeti ambayo tulikuwa nayo katika kila kamati, na leo tunaangalia bajeti ya ziada ya huo mwaka. Tuliona tumeadhirika, nasikia hapa kwenye mapendekezo ya kamati, ambayo tuliweza kuketi na kuangalia na tukasema ni vizuri tulete kwenye Bunge ili isipitwe na wakati kwa sababu tunaona tumebakisha wiki mbili twende kwenye Bajeti ya mgawo.

Bwana Spika, kila mtu ana kijikaratasi ambacho kimesomwa na ndugu yangu na mapendekezo ambayo tumeleta ni yenye kamati imeweza kuangalia. Kama ambavyo tumeelezwa na ndugu yetu, kama kuna idara ama wadi ambayo imetatizika kidogo basi itaangaziwa katika bajeti tutakayoingia katika wiki mbili zijazo.

Langu ni kuomba viongozi wapitishe ripoti hii ya bajeti ya ziada kwenye Bunge ili tuweze kupitisha bajeti tunayotarajia kupitisha katika muda wa wiki mbili. Kila idara itaangaliwa, na itagawanywa kulingana na mapendekezo ya viongozi katika hili Bunge. Asante.

(Question proposed)

Hon. Catherine Nyawira: Thank you, Hon. Speaker. I rise to give my comments on the supplementary budget which is brought to us two weeks to the end of the close of year. The Commission on Revenue Allocation formula was reached; had a problem in that year, and I think it was reached in October. So, in October the County Government had gotten its share of revenue, and it did not get Kshs.4.8 billion. It got Kshs.4.1 billion, meaning that it lost 652 million.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

Hon. Speaker, it has been 9 months. In fact, this is the 10th month, since October, and it is when the supplementary budget is being brought. So for 9 months somebody has been sitting on this budget knowing that the money was not enough, knowing very well that they were prioritizing projects that were probably not even in the budget, or are exceeding projects in the budget, so that they could bring to us this supplementary budget now.

It is unfair, it is a failure of the County Assembly to even do oversight and to demand for these things. This County Assembly is being taken for a ride. It is wrong. Unfortunately, this last page is the only one we have to deal with. We do not have an original budget, we do not have where the projects have been removed from, we only have a column stating totals, recurrent, and development. We do not know which projects have been removed.

I think it is utterly unfair of the Budget Committee and they should desist from bringing such documents to this House. I therefore recommend that they bring us a breakdown on which projects have been removed and which projects have been added, and which priority projects the Government has spent on so that it could wait two weeks to another budget to bring it. Thank you.

Hon. Stephen Ndiritu: Asante, Bwana Spika. Mimi pia nataka kusimama kutoa mchango kuhusu hii bajeti ya ziada. Kwanza, nashukuru kamati kwa vile wameweza kuileta. Jambo ambalo nimeweza kuangalia kwenye hii bajeti ya ziada ni ya kwamba serikali ya utekelezaji wameona ni vizuri wabadilishe miradi mingine kulingana na bajeti tuliyokuwa tumefanya.

Bwana Spika, kwa wakati huu mwaka unaendelea kuisha tarehe thelathini Juni. Tunaona kama kulikuwa na kasoro katika Serikali Tekelezi kwa sababu tunafanya Bajeti ya Ziada kwa manufaa ya mwananchi wa Laikipia. Bwana Spika, kwa maoni yangu sisi kama Bunge mahali tumefika na mahali mwaka umebakia na vile kamati imeleta hii ripoti wamejitolea kulingana na wakati ililetwa hapa. Ni vizuri tuweze kuangalia wanalaikipia kwa sababu tusipopitisha hii bajeti tutakuwa kama tunawanyima haki wananchi wa Laikipia.

Ombi langu ni kwamba serikali imetumia muda mrefu sana kuleta Bajeti ya Ziada. Hata kama tutaipitisha wakati ambao umebakia tunajua kuna miradi wamefanya na miradi ingine haikuwa kwa bajeti. Kwa wakati huu wametuletea ili tuweze kuidhinisha na tusawazishe hesabu yao. Sisi tuko hapa kulinda mwananchi na tuko na pesa ambazo zimetoka hivi majuzi za masomo ambazo zitasaidia mwanafunzi kutoka familia masikini.

Kama tutakosa kupitisha hii bajeti ama tuwe na mambo mengine huenda tukawaadhiri hao watoto kwa sababu tutakuwa tunarudi tu pale. Bwana Spika, hata kama kumekuwa na shida pesa ya serikali inaonyesha hesabu kulingana na idara. Inaonyesa pesa za *recurrent* na maendeleo. Pia inaonyesha kiwango ambacho Kaunti ilipokea. Kwa hayo macheche kwa sababu najua Waheshimiwa wako hapa na watatoa mchango nakubaliana na naunga mkono hii ripoti ili iweze kupita. Tusiangushe hii ripoti kwa sababu huenda tukawaadhiri wafanyikazi katika Kaunti ya Laikipia.

Huenda tukapata migomo ya wafanyikazi katika Kaunti hii kama hawatapata pesa zao. Bwana Spika, naunga mkono tupitishe na naomba wabunge wapitishe kwa manufaa ya mwananchi na wanafunzi ambao wanategemea. Wakati mwingine kwa sababu tutakuwa na bajeti nyingine ni lazima tuwe macho na tusilaumu Bunge kuchelewa kwa Bajeti ya Ziada. Hii si lawama ya Bunge ila ni lawama ya watu ambao wako ofisini kama waziri na afisa mkuu. Naunga mkono kamati na nawapongeza kwa muda ambao walichukua ili kuleta hii bajeti. Naomba wengine wapitishe ili tufanye bajeti ambayo inakuja.

Hon. Mary Samken: Thank you, Mr. Speaker, Sir for giving me an opportunity to add a voice on this supplementary budget. Mr. Speaker, Sir, it is clear that several factors have been taken into consideration before bringing this Supplementary Budget which one of them is reduction of our equitable share from Kshs.4.8 M to Kshs.4.1 M. It is no doubt we have to forego some projects to be able to be within the budgetary line.

Today I stand here as a sad person because as much as we reallocate or remove projects. Hon. Nyawira has said that it is 10 months since we received our equitable share which is Kshs.4.1M. It has taken the Executive 10 months to bring a supplementary budget. Mr. Speaker, there was a public participation that was done and people are waiting for projects. Why I have said I stand as a sad person today is because I know there is one project as ECDE class that have been allocated in every Supplementary Budget.

Mr. Speaker, today I know there are staff houses in Dispensary that has been removed from this Supplementary Budget. I am sad because for four years' people in Such a place have been waiting for an ECD class for four years. Every year we go for public participation and we tell them that we are building an ECDE class for them but when the supplementary budget comes in this House we remove that project.

Mr. Speaker, I am left wondering whether the Executive consider some factors. Mr. Speaker, do they go back to the people and tell them that the projects they promised to bring will no longer be brought because of a certain reason. It is a hard fact because I know Mr. Speaker you will be one of them. You will get a hard time when you go back to the citizen to ask for votes.

For four years telling them you shall put up an ECDE class and every time it is put in the budget it is reallocated you feel it is okay. Mr. Speaker, I am not going to say that I will pass this supplementary budget but it could be better when some things are considered. If we allocate a project let us not reallocate it. It is unfortunate to reallocate a project three times.

Mr. Speaker, I thank the Budget Committee for their time and for bringing this report in the House. I am very sure we will agree with them and we are going to pass it because as much as we want these projects there is no money. It is our prayer that those projects that have been reallocated, during the coming budget 2021/2022 they will consider those places. Thank you, Mr. Speaker, Sir. I support the report.

Hon. Daniel Mugweru: Thank you, Mr. Speaker. I rise to support the report on Supplementary Budget. I wish to thank the Budget Committee for making it possible to have this Supplementary Budget this time. Mr. Speaker, it is very clear in this world what makes us live is living a real life. Mr. Speaker, for many years most of our developmental budget in this county goes to between Kshs.800 million and 1 billion.

Having a shortage of Kshs.652 million, there is nothing expected than loosing many projects. The projects that were supposed to be done at a cost of 1 billion displays that we only have 400 million. Mr. Speaker, it is automatic that if your budget was 100 shilling per day and only to find 60 shillings tells you that you must fit in the 40 shillings you have because you cannot do things worth 100 shilling yet you have 40 shillings.

Mr. Speaker, it is very important as a county and a nation we understand what the county have been going through and what we as Laikipia County have been going through. When we get a down fall of 652 million this tells us that almost half of the projects that were supposed to be implemented cannot be implemented. There is no point of saying that we are

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

implementing projects and only to find ourselves in the next few months shouting up and down saying that our people are dying and suffering and pending bills.

They did their work and there is no money to pay them yet we knew when committing those projects, we don't have that money. Mr. Speaker, not only in government, it is good that even at the personal level we agree to live a real life. We should not live a fake life telling ourselves that we have a lot yet you know you do not have. Mr. Speaker, when we say there is a downfall of 652 million that thing should sink in everyone's mind even in the whole county, we as leaders and the people we represent.

When we say we have a downfall of 652 million it means if we had budgeted to do 10 projects in Umande it automatically tells us that we are going to do 5 out of 10. Mr. Speaker, it will be unfortunate if today I wake up or the County Government of Laikipia wakes up and commits so many projects in Umande knowing very well they do not have money to pay the contractors.

Mr. Speaker, we may sing a good song today when we are committing projects only to find ourselves next week in the media houses all-over shouting that we want our people to get paid and the pending bills to be cleared yet we know there is nothing to clear those bills. It is always important to work within the budget. I support this report 100% because it will help us balance what we have.

Nobody will come tomorrow crying that I did this and I didn't get paid. It is important to live and understand the real life knowing we have a shortage of Kshs. 652 million so that we accommodate what we can swallow. I support and believe that this supplementary budget will balance the whole thing in this budget. I support. I call members to continue supporting.

Hon. George Meshami: Asante sana Bwana Spika kwa nafasi ndio nichangie ripoti ya bajeti. Wacha niseme hii bajeti ya ziada ya mwisho wa mwaka tukiwa katika mwaka wa nne. wakati tumeketi kupitisha bajeti ya mwaka huu 2020/2021, tulipitisha tukiwa tumeangalia Mwananchi wa kawaida kutengewa kiwango fulani cha pesa katika miradi ambayo itafanyika katika wadi zetu. Leo hii hizo miradi haijafanyika.

Katika upande wa *leasing*, tulitenga pesa za barabara katika wadi zetu lakini haijafanyika. Hizi mashine pia bado ziko na shida. Huu ni mwaka wa pili na hii na bajeti ya ziada. Mwaka tunaingia ni mwaka wa siasa. Hakuna maendeleo ambayo itafanyika katika wadi zetu. Tunafaa tuelezewe ni miradi gani kwa kila wadi imepunguzwa. Kile tunachoelewa ni miradi ambayo tuliweka katika bajeti na bado tunatarajia itafanyika. Inatakikana serikali ijitokeze ituelezee. Naunga mkono na naomba wenzangu wapitishe ndio tuone wanalaikipia ama wafanyakazi wa Laikipia wakipata malipo yao. Naunga mkono.

Hon. Veronica Ikunyua: I rise to support this supplementary budget. It has taken much time before being brought in to this House. I believe it is not our fault but Executive. We cannot keep on blaming each other. I would like to request the Executive to be keeping time. They walk around in this town telling our people it is our fault for the delay of the budget. Even if we have allocated, then how much? It is only a few months remaining to the next financial year budget. We are going to pass it but there are so many question that need to be answered.

In Health Department, Kshs. 50 million has been deducted. This supplementary budget was brought last week with so many questions and we had to return it back since they had joined the supplementary budget with infrastructural bond which was not okay and they had to bring it back yesterday. I support.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

Hon. Catherine Kibue: Asante sana. Nimesimama kuunga mkono. Nashukuru kamati ya bajeti kwa kutuletea bajeti ya ziada. Yangu ni machache. Naomba Serikali Tekelezi yale masaibu yaliyoko katika hii Kaunti watekeleze. Sio maneno na bajeti ya ziada, kwanza washughulikie maneno muhimu kama hospitali zetu na pia kulipa watu wetu mishahara. Hata kama iko na dosari mingi tutapitisha tu ndio tujali watu wetu.

Deputy Speaker: Mover you can give a reply.

Hon. Wilson Wakahiu: Thank you Mr. Speaker. First I want to appreciate the contribution of Hon. Members concerning the supplementary budget. The Executive has failed having stayed for long without bringing this document to the House. It has also taken time for us as Assembly when we were debating on how to separate it with the infrastructural bond. So in one way or the other there was an error as we waited for the document. They were supposed to bring it far much earlier.

Mr. Speaker, there are some factors we need to consider as leaders of this county. It is our collective responsibility to make sure that the people whom we represent whether as the Governor, Senator, MCA or MP, we need to make sure that our people get the best from the money they pay from their taxes. I believe when this thing was coming to this House, the County Treasury had a proposal of a certain target of the local revenue collection. In one way or the other we could have stayed longer trying to seek whether we hit the target.

Secondly Mr. Speaker, there are some conditional grants that we may receive in the course of time that did not come. Hon. Members have said many things and I appreciate. I want to request, as we approve this supplementary budget because I believe you will do it, as I have said before, the Sectoral committee, if it is education, they have to do their oversight role in the Department of Education. The same applies to the department of Health and others. For that case, maybe there are other projects that have not been done and they can be factored in the Supplementary Budget.

Mr. Speaker, I request Hon. Members, to feel we have a burden to pay our suppliers and service providers in this County plus the pending bills of the last financial year in which I believe they are more than Kshs. 2 billion. Let us do away with all these pending bills. I appreciate the contribution and believe the House will adopt this report.

(Question put and agreed to)
