REPUBLIC OF KENYA

COUNTY ASSEMBLY OF LAIKIPIA

THE HANSARD

Tuesday, 24th August, 2021

The House met at the Assembly Chambers at 2.30 p.m.

[The Speaker (Hon. Patrick Waigwa) in the Chair]

PRAYERS

ADMINISTRATION OF OATH

LOCHIMIDI J. ESOKON

Speaker: Hon. Members, I have received a Communication through the Kenya Gazette published by the Authority of the Republic of Kenya Vol: CXX/III No. 170 at Nairobi on 20th August, 2021 Gazette Notice No. 8623.

The Constitution of Kenya

The Independence Electoral and Boundaries Commission Act

(No. 9 of 2011)

The Election Act

(No. 24 of 2011)

The Elections General Regulations

(LN.128 of 2012 and LN.72 of 2017)

The Election (Party Primaries and Party Lists) Regulations, 2017

(LN.69 of 2017)

Re-allocation special seats

Nominated Members to the County Assemblies of Laikipia, Kiambu and Samburu.

Our interest is in Laikipia.

Corrigenda

Pursuant to the provisions of Section 37 of the Elections Act, 2011, following the resignation of MCA of Laikipia and Kiambu and the death of a Member of County Assembly of Samburu, the Independent Electoral and Boundaries Commission in exercise of the powers conferred by the Articles 88(4), 90 and 177 (1) (b) of the Constitution of Kenya, Section 4 of the Independent Electoral and Boundaries Commission Act, 2011, Section 37 of the Election Acts, 2011 and regulations 56B of the Elections (General) Regulations 2012 amends gazette notice No. 8380 of 2017, Vol. CXIX- No.124 published on the 28th August, 2017 in the First and Second Schedules, as specified herein below:

Our case is Laikipia County, No. 31. The marginalized list on page 4993 row – 2, is deleting Peter Matunge of the Male gender. ID no. 25744732 of Jubilee Party and inserting

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

Lochimidi J. Esokon of the Male gender. ID number: 24292820 of Jubilee Party. I may not read the rest because it belongs to another county. The deleted nominees stand disqualified as MCA of Laikipia, Kiambu and Samburu respectively dated, 19th August, 2020. That is by W. W. Chebukati, Chairperson Independent Electoral and Boundaries Commission.

We all know that Hon. Matunge did resign when he was appointed as the CECM for Water and therefore replaced by Lochimidi J. Esokon. I request Serjeant-at-Arms to bring in the new MCA so that we can swear him in. We can have one or two Members who will help to bring in the Member.

(Lochimidi J. Esokon was brought into the Chambers accompanied by Hon. Jacob Endom and Christopher Mark)

Speaker: Mr. Lochimidi J. Esokon kindly stand in front on my right so that we can conduct the swearing-in.

(The oath of administration was administered to Mr. Lochimidi J. Esokon)

(Applause)

Speaker: We have a new Member. I wish to request that we show the Member where to sit. I wish to give this chance to two or three Members so that they can congratulate the Member. I wish to start with the immediate neighbour, Hon. Nyawira then Hon. Jacob who happens to come from the same ward with new Member then Hon. Wachuka, Nderitu and Mutahi.

Hon. Catherine Nyawira: Thank you Mr. Speaker for giving me this opportunity to welcome Hon. Lochimidi J. Esokon to this House. The law provides for admission of oath in county assemblies. This provision has not been used in this County assembly but was used in the previous House through the death of a Member. I want to thank the almighty God that this provision is not being used through death but through another Member rising to be a CECM in the Executive arm and paving way for a Member to be Hon. Member.

Mr. Speaker, I want to congratulate the Hon. Member and welcome him to this House. He comes at a time when this Assembly is considering vital documents that will affect the lives of Laikipia. I congratulate him and encourage him to learn the job as we have done in the last four years and we will hold his hands. Thank you Mr. Speaker and congratulations to Hon. Lochimidi J. Esokon.

Hon. Jacob Endom: Asante sana, Mheshimiwa Spika. Nashukuru kwa sababu mungu huwa na mpango wake. Tangu nije hili Bunge, sikuwa na mtu hata mmoja wa kuongea naye lugha lakini siku ya leo nashukuru. Tangu nichaguliwe sijawahi pata mjumbe wa kuteuliwa kutoka kwa wadi yangu. Tutakaa na yeye na tutaendelea na yeye kwa umoja. Asante.

Hon. Irene Wachuka: Asante sana, Bwana Spika. Napongeza Mheshimiwa Joseph na hasa chama cha Jubilee kwa kutuletea mjumbe mpya. Hon. Lochimidi J. Esokon, hii ni nyumba ya sheria na tunakukaribisha kwa mikono miwili, utakaa kama sisi na tunashukuru serikali ya Uhuru Kenyatta ambaye alifikiria. Wale wanasema jubilee imekufa inaendelea kufanya kazi. Katika Laikipia, sisi ni kabila moja ya Kenya. Wewe sio mgeni. Wewe ni mzaliwa wa Laikipia. Sisi hufanya kazi pamoja na hatuna ukabila. Kabila yetu ni Kenya na Laikipia. Laikipia hoyeeh!

Hon. Stephen Nderitu: Asante sana Bwana Spika. Nachukua nafasi hii kumshukuru Mheshimiwa Lochimide J. Esokon kwa kuteuliwa katika Bunge hili. Hili ni jambo ambalo

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

limefanyika kwa mapenzi ya mwenyezi Mungu. Namkumbuka Lochimide wakati tulikuwa tunapigania viti.

Speaker: Hon. Nderitu it is just information. He is not Lochimide but Lochimidi. Some of these names when you alter the pronunciation it can be having another meaning in another language. You are advised to use the correct pronunciation.

Hon. Stephen Nderitu: Asante kwa kunirekebisha Bwana Spika. Hili ni jina ambalo hatujazoea. Umenirekebisha na kunieleza ni Hon. Lochimidi J. Esokon. Nilikuwa nataka kusema namkumbuka wakati tulikuwa tunang'angania viti. Wakati tulikuja kuapishwa sura moja ambayo sikuona ni ya Hon. Lochimidi J. Esokon. Nashukuru Mungu kwa sababu amesikia maombi yake na kuteuliwa na Chama na kuwa MCA.

Nimweleze Lochimidi J. Esokon kwamba hili ni Bunge la kuelewana na kwa pamoja tukizingatia vile Mwananchi angetaka.

Speaker: Order! Hon. Mutahi?

Hon. Mutahi Muritu: Mheshimiwa Spika, ningependa kumfahamisha mwenyekiti wa Bajeti kwamba sio Lochimidi. Kuanzia sasa hivi, ni Mheshimiwa Lochimidi.

Hon. Stephen Nderitu: Bwana Spika, niliweza kumwita Mheshimiwa Lochimidi. Wacha nisieleze mengi kwa sababu nafikiri wajumbe wote wamemuona hata kama amejifunika kabisa lakini ni vile hali iko ya COVID-19. Mheshimiwa mwingine ameweza kuteuliwa baada ya Mheshimiwa Matunge kuteuliwa kuwa CECM. Ningetaka kusema kwamba hili Bunge halijachoka hata kama kuna mwingine ameteuliwa kwa nyadhifa ingine na kuletwa MCA mwingine ambaye atatekeleza kazi kulingana na haki itakuwa ni jambo nzuri. Nimshukuru kwa sababu ametoa barakoa kidogo nimuone vizuri na nimeona kweli ni yeye na Mungu amubariki.

Speaker: Hon. Nderitu is one of the Members who were welcoming the Member to the House but he is saying it's until when he removed the mask that he can confirm he is the one. I was wondering how he has not gotten to know the Member. Hon. Hussein?

Hon. Salma Zamzam: Asante sana Mheshimiwa Spika kwa kunipea nafasi nirudishie Mheshimiwa Lochimidi J. Esokon kongole kwa kuridishiwa nafasi ya Mheshimiwa Matunge ambaye tunajua ni waziri wa maji na mazingira. Nafasi ya jamii ndogo sana katika Laikipia ndugu yangu Mheshimiwa Lochimidi J. Esokon karibu na usimame nga'ngari na watu wa Sosian mia kwa mia.

Kuna jambo kubwa iko mbele yetu na najua utatuunga mkono ili wafugaji katika Laikipia wapate maendeleo. Simama na haki ya watu wa ufugaji katika Laikipia. Asante sana.

Hon. Mutahi Muritu: Asante sana Mheshimiwa Spika. Nilimwona miaka minne iliyopita baada ya kuteuliwa na chama cha jubilee na mahali tulikuwa tumekusanyika kupaka mikakati. Ndugu yangu, karibu kitalani. Usiogope. Sisi ni watu wakarimu. Chai baadaye.

Speaker: Hon. Karuiru?

Hon. George Karuiru: Thank you Mr. Speaker. I would like to guide Hon. Members not to misguide Mheshimiwa Lochimidi. Let the address be from you.

Speaker: Hon. Mutahi address the Member through the Chair.

Hon. Mutahi Muritu: Mheshimiwa mwenzangu najua hajavalia miwani na pengine haoni naongelesha wewe Spika. Namkaribisha ndugu yangu kitarani. Kiapo alichokula siku ya leo ndicho kitakachokuwa mwongozo wake na watu waliomleta hapa kuwakilisha. Nimesikia

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

mmoja wetu kuna jukumu liko mbele na linahusu watu wa Laikipia. Namkaribisha sana Mheshimiwa kutoka Sosian na ujihisi nyumbani. Usiogope chochote bali kiapo ulichokula. Asante kwa nafasi hiyo.

Hon. Peter Thomi: Thank you Mr. Speaker. I want to team up with my colleagues in support of Hon. Lochimidi J. Esokon nominated in this House. We have come from far with Esokon. In 2016 and 2017 when he tried to come to this House, I was with him. Today because of the love of God he is in this House. I want to tell him that just as he has been sworn-in, the words he has uttered there that is what to follow.

I will also urge my colleague on that so that you may serve the people of Laikipia in the right way immediately after this House because I am a veteran, go straight to the Office of the Speaker and the Clerk's Office. Ensure that you have been given a car grant so that you serve the people of this county the right way and other necessities that belong to you. With that, we will ensure we are with you so that we serve Laikipians in the best way possible. Thank you.

Hon. Simon Kanyutu: Thank you Mr. Speaker. I rise to congratulate Hon. Lochimidi J. Esokon. I came to know him when we were campaigning. He is a vibrant person and I can attest to that. We are ready to support him and show him all the steps that are required to ensure he serves in full capacity. Welcome in this Assembly Hon. Lochimidi J. Esokon.

Speaker: Thank you Hon. Member for having that chance to congratulate the newest Member in the House. To Hon. Lochimidi J. Esokon, congratulate once again in your new job. Today your CV changes from whatever you were doing to be the Hon. Member of Laikipia. It is not too late. You can still deliver to the marginalised and any other group you represent and even the people of Laikipia.

Mine is to tell you that you have been given this chance and opportunity by God. Fear him and let him guide you. Your loyalty to the Jubilee Party matters a lot. It is through that party that you have come to this House. Above all serve the people. There is a lot you can do.

I believe we are going to facilitate you adequately so that we can train you where necessary so that you can know how to go about the businesses of the House and the mandate of the MCA. Off course, you may be knowing but it is our responsibility to make sure that we empower you so that you can serve the people. I know the Office of the Clerk will guide you around and the Members here on the business, meeting days and committees.

I will ask the Hon. Majority Leader and Members of the Selection Committee to ensure you have some committees through which you are to serve the people of Laikipia. I will not give you a chance to speak today but prepare, one of these fine days I will give you a chance to make your maiden speech without interruption as an Hon. Member. Congratulations.

MESSAGES

MEMORANDA FROM THE GOVERNOR

Speaker: Just to report that we did receive from Executive a Memorandum that we will be amending the appropriation that we did pass and I hope as a Paper when we come to that shall be laid.

PAPER LAID

MEMORANDA FROM THE GOVERNOR

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

Hon. Daniel Nyausi: Hon. Speaker, before I lay the memorandum I wish to congratulate Hon. Lochimidi J. Esokon and let him know he is in the right place. Thank you Mr. Speaker. I beg to lay the Memorandum forwarded by the Governor on behalf of the Majority Leader Hon. Kiguru who we should pray for because he was attending his cousin's burial.

(Hon. Daniel Nyausi laid the memorandum on the table)

Hon. Stephen Nderitu: Mr. Speaker, on behalf of the Budget and Appropriations Committee, I want to lay the following paper; Debt Management Strategy Paper report 2021 corrigenda statement.

(Hon. Nderitu laid the report on the table)

Speaker: The memorandum from the Governor laid on the table by Deputy Speaker is committed to the Budget and Appropriations Committee.

NOTICE OF MOTION

DEBT MANAGEMENT STRATEGY PAPER, 2021

Hon. Stephen Nderitu: Hon. Speaker, Sir, I beg to give notice of the following motion;

THAT, this House adopts the Debt Management Strategy Paper report, 2021 Corrigenda Statement by the County Budget and Appropriations Committee dated 23rd August, 2021.

MOTION

DEBT MANAGEMENT STRATEGY PAPER, 2021

Hon. Stephen Nderitu: Hon. Speaker, Sir. On behalf of the Budget and Appropriations Committee, I beg to move the following motion;

THAT, this House adopts the Debt Management Strategy Paper report, 2021 Corrigenda Statement by the County Budget and Appropriations Committee dated 23rd August, 2021.

Mr. Speaker, I think the Hon. Members have the report. I beg to go through the report because the motion is on the floor of this House. The Budget and Appropriations Committee presented its report on Debt Management Strategy Paper 2021 on 14th July 2021. The said report was adopted in the House.

The committee later confirmed that the projects appearing in the paper never considered the County Treasury circular vide letter REF: CGL/CEC.F/CA.S/VOL.III/55 dated 19th April, 2021 on Proposed Projects to be funded from the 1st Laikipia County Infrastructure Bond, communicating the publics' preferred projects.

Mr. Speaker, Sir, among the objects of devolution outlines under Article 74 of the Constitution are to promote democratic and accountable exercise of power; to give powers of self-governance to the people and enhance the participation of the people in the exercise of the powers of the state and in making decisions affecting them; and, to promote social and economic development and the provision of proximate, easily accessible services throughout Kenya.

Mr. Speaker, Sir, the County Assembly went ahead and prepared budget estimates for Financial Year 2021/2022 based on the report adopted by the House and removed the element

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

of the Infrastructure Bond, meant to finance the publics' preferred projects. This report was adopted in this House with the material omission therein which subsequently means that the projects have no way of being financed.

Mr. Speaker, Sir, the committee noted that the following omissions needs to be corrected in the report to allow the House approve and recommend it to allow internal borrowing by the County Government.

Mr. Speaker, on the next page and I think Hon. Members have this document, there is table 2.1 proposed projects and their allocations. Because Hon. Members have this report, they can go through and see how the projects are allocated the money. Mr. Speaker, there is no need of reading those figures but if the House demands because I am working on behalf of this House, I can read. Mr. Speaker, if you give me permission I will read.

Mr. Speaker, the next table that has a loan amount standing, the interest and the total. In the next page Mr. Speaker, these recommended amendments will change the position of the committee in the recommendations to read as follows;

a) THAT the infrastructural bond income and projects therein be included in the Debt Management Strategy Paper 2021, CFSP 2021 and the budget estimates for Financial Year 2021/22 as a source of income for the county. The infrastructure bond will enable the county to carry out developments in the Financial Year 2021/2022 which have been affected by the prevailing condition under the COVID-19 pandemic.

b) THAT all other liabilities contained in the DMSP 2021 forwarded to the House including the pending bills be part of the DMSP 2021.

c) THAT the recommendations and the amendments contained in this corrigenda statement be annexed to the report on the Laikipia County Debt Management Strategy Paper 2021 dated 14th July, 2021 as part of the report.

Mr. Speaker, in committee composition, the select committee on County Budget and Appropriations is comprised of the following members;

1. Hon. Stephen Ndiritu -Chairperson
2. Hon. Salma Zamzam -Vice chairperson
3. Hon. Judy Lukio -Member
4. Hon. Daniel Mugweru -Member
5. Hon. Veronica Ikunyua -Member
6. Hon. Daniel Nyausi -Member
7. Hon. Catherine Nyawira -Member

Acknowledgement

Mr. Speaker, Sir, the committee wishes to sincerely thank the Offices of the Speaker and the Clerk of this Assembly for the support extended to it in the execution of its mandate. Finally, I wish to express my appreciation to the Honourable Members of the committee who sacrificed valuable time from their families and constituents to participate in the activities of the committee including attending meetings at extended hours. Their effort and dedication made the work of the committee and production of this report possible.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

Thank you, Mr. Speaker. I now call upon Hon. Judy Lukio to second this report. Thank you, Mr. Speaker.

Hon. Judy Lukio: Thank you, Mr. Speaker. I will start by congratulating the Chairperson of the Budget Committee for putting us through this report. The report has been written in a simple language that we understand. I will contribute that the committee was constrained by time to prepare the report and thus led to serious oversight of important aspects like the public view on the projects identified.

However, the decision made by the committee was misguided. Due to this the committee wishes to make corrections on projects as well as the cash plan. As far as this report is concerned, every member has gone through it and has seen the omission. That is why the committee is correcting it. I second the report.

(Question proposed)

Hon. Jacob Endom: Asante sana, Bwana Spika. Nauliza kwa sababu hii ripoti ilikuwa imeangushwa. Sasa imerudi na ningetaka kuuliza ni nambari gani ya Kanuni za Bunge ambayo imeifanya irudi katika Bunge hili kwa sababu hili ni Bunge la sheria.

Speaker: I believe what we have is not a report of the Debt Management Strategy Paper as said but corrigenda on the same. It is the Debt Management Strategy Paper that we passed whereby the House is choosing to amend whatever was informed by the Budget Committee.

Hon. Jacob Endom: Bwana Spika, kama Spika wa Bunge hili, naomba usome Kanuni za Bunge nambari 47 (3) a…

Hon. Mutahi Muritu: Mheshimiwa Spika, Napata tatizo kidogo kwa sababu kwa kanuni zetu za Bunge unaponukuu kanuni yoyote ya Bunge lazima utusomee ili sisi tuelewe. Tukiweza kuelewa tutapata utaratibu. Hili ni Bunge la utaratibu na angetusomea ili nami niweze kuelewa zaidi ni kwa nini hiyo kanuni imejitokeza. Na sisi tutaweza kutoa majibu ama niweze kupata majibu na kujiridhisha katika ukweli wa mambo. Asante.

Hon. Jacob Endom: Bwana Spika, nimeuliza swali na hujanijibu. Nilikuwa nataka nijibiwe swali la kwanza na la pili.

Speaker: What Hon. Mutahi is asking is that you needed to quote the Standing Order for them to read. Then the members can respond.

Hon. Veronica Ikunyua: Thank you, Mr. Speaker. Hon. Jacob has requested you highlight to us the Standing Order that you have used to re-introduce the bond into this House.

Hon. Mutahi Muritu: Mheshimiwa Spika, kupitia kiti chako tukufu na nakuomba kwa heshima, Kanuni iliyotajwa hata kama ni kwa msaada wa aina gani ninastahili kurudi kwenye hiyo kanuni. Kama mimi, kwa kanuni ya kwanza naweza kiri kwamba Kanuni ya Bunge nambari 80 inatueleza unaposimama lazima unukuu kanuni inayonifanya nije kukueleza ninachokitaka. Sasa anakuuliza swali. Angekuomba msaada ili tuweze kujua ukweli wa mambo. Sasa hivi tunapata mkanyangiko. Tafadhali.

Hon. Jacob Endom: Bwana Spika, nafikiri wewe ndiye unatuongoza Bunge. Hiyo ndiyo sababu nimeuliza hilo swali. Nafikiri Mheshimiwa hajaelewa vile nimesema. Kama uko na hamu ya kitu chochote, hautasikia kile ambacho mwenzako amesema. Bwana Spika, kama vile Mheshimiwa Veronica amesema ndio nauliza Bunge hili. Bwana Spika, nimenukuu Kanuni za Bunge nambari 47. Siyo nyinyi mtaniambia nisome. Naweza omba msaada kila mtu asome ama Bwana Spika asome.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

Sasa kwa sababu Spika ndiye yuko hapa anaweza kutusomea. Ako hapa kama Spika wa Bunge hili na anajua sheria.

Hon. Daniel Nyausi: Thank you, Hon. Speaker. We are opening unnecessary debates that are not meant to be discussed in this House. We are debating on a motion in this House so Hon. Members should be asking for time to contribute to this motion either in favour or otherwise. Mr. Speaker, it is not right. Otherwise we will be using all our time if every Member stands in this House to direct you to do what he or she feels.

If there is any Standing Order an Hon. Member feels that will get more mileage to read, let him or her do that. Let them delegate to a Hon. Member to do on their behalf. Thank you, Hon. Speaker.

Hon. Jacob Endom: Bwana Spika, mimi ni Mbunge katika Bunge hili. Nina haki ya kujua ni nini kinaendelea katika Bunge hili. Niko na haki ya kuambiwa ukweli ili nijue. Bwana Spika huwezi kusimama hapa bila kujua nini kinaendelea. Lazima uulize katika Bunge hili. Waheshimiwa wengine hawataki uelewe kwa sababu ya hamu yake binafsi. Mimi niko na hamu ya wananchi wa Sosian ya kujua nini ambacho kinaendelea.

Hawa hawataki nielewe na nakuomba kama Spika unielekeze ili nielewe. Huwezi simama hapa kuchangia kitu ambacho hujui.

Speaker: Just to give direction, the Hon. Member was asking which Standing Order allowed us to re-introduce the motion. It is important to mention that we have not introduced the motion of the Debt Management Strategy Paper. What we have today is a corrigenda that intends to amend the Debt Management Strategy Paper. Of course we have a Standing Order that says that no motion which has been approved and debated in this House will be re-introduced into the House before six months are over unless with the leave of the Speaker.

This is not the motion that we debated here. If all of us can remember, what we debated here a few months ago wasn't a corrigenda but the Debt Management Strategy Paper. Therefore, in that case I believe to say that the Budget Committee is free to bring that business to the House so that that business can be discussed and debated so that a vote will be taken. Finally, I didn't get the Member well but what I got is that he wanted me to read the Standing Order Number 47 (3) a. I did not know what I will do with that particular Standing Order.

I believe all of us have a role and we need to raise issues and support with the Standing Order. You can say you are raising on a certain Standing Order and state the reasons so that we do not make the Speaker became a debater in the House but leave him to become the referee in the House. It is time we get to the debate. The debate is open because we had already proposed the question.

Hon. Wilson Wakahiu: Thank you, Mr. Speaker. I thank the Honourable committee of this House on Budget and Appropriations for bringing in this corrigenda report. I believe this is a business that was supposed to be done so that the implementers continue with their work. Through the wisdom of the committee I think this is the high chance we appreciate what the committee has done.

I believe that it will open another forum where our people who I believe the Executive and the Budget Committee consulted them. They went to the public, listened to the people and the people are in dire need of this particular project in their ward. Personally I was the Chair, Budget Committee sometimes back and I believe this is one of the issues that pushed me out of the committee. Now because it is back, it will make me happy. I will feel that the desire, the vision and the dream we had for the people of Laikipia their projects will be implemented.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

I personally will benefit out of this because the people of Salama Ward see Pesi Trading Centre being tarmacked and improved with street lights and drainage systems. That will open investments in our area. The same money will be able to repay the Infrastructural Bond. Mr. Speaker, I am grateful and I feel this is the high chance that we need to go ahead and approve this corrigenda report. It will give the Governor the opportunity of implementing programmes.

Many of us are seeing it as a political issue and people are trying to capitalize on it but once the projects are done, the people who benefit is not the Governor or the MCA but the people who elected us. They will feel that their issues have been tackled and they will see development at their door step. I support it and I believe Hon. Members will agree with me and approve this corrigenda motion and open another forum where the Governor will have an opportunity to develop our county. Thank you, Mr. Speaker. I support.

Hon. Catherine Nyawira: Thank you, Mr. Speaker for giving me this opportunity to speak on issues of the corrigenda. Hon. Speaker, a corrigenda is a law that means we either revise a document that has been printed or published. The corrigenda before this House seeks to make a correction that is larger than what we passed in the CFSP and ADP. While the Budget Committee was interrogating this corrigenda, there were two scenarios that came.

One was the validity of the corrigenda in the relationship to the CFSP and ADP. Secondly, was whether the fourteen days had elapsed that is provided by the County Government Act on the issues of memorandum. Mr. Speaker, the truth is that the documents that came into this House did not relate to this corrigenda. That is why we are making an amendment that is much more significant and allowed by law. Hon. Speaker, the documents that were laid before this House, the CFSP and ADP…

Hon. Daniel Nyausi: Thank you, Hon. Speaker. I beg a clarification from the Hon. Member because this is a corrigenda. I am not seeing anywhere a memorandum attached. She has just mentioned a memorandum. Those are two different things and I kindly ask her to give more light on the same. Otherwise, this corrigenda originated from a committee. A memorandum is an item on itself from the office of the county. Thank you.

Hon. Catherine Nyawira: Hon. Speaker, I was speaking about the corrigenda and I wish to continue and I will clarify the Member's issues once I am done so that he doesn't interrupt my line of thought. Like I said, the corrigenda is seeking to make significant changes that were not in the CFSP that was passed in this House on 14th July which is the Infrastructural Bond of an amount of Kshs.1.14 billion.

I therefore find that the document before us seeks to make a larger and more significant change in this House that ultimately will affect a Finance Bill that is coming before this and the business permits whereas this is a COVID season. I believe it will continue to affect Laikipians in ways that we may not have considered. Mr. Speaker, I therefore ask this House to reconsider this corrigenda document. Take time, be sober so that when we are approving it is during our time we shall have time to implement these projects. Hon. Speaker…

Hon. Chris Mark: By your guidance I know the Hon. Member doesn't like being interrupted so that she doesn't lose action of thoughts but I have seen her sign this document and I have seen her signature. I am very surprised that the Hon. Member from the Budget Committee is telling us to reconsider. What she should have done is write a minority report so that the majority have their way and the minority have their say. Guide me Mr. Speaker on whether she is in order to tell us to reconsider when she has already signed that this document is okay.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

I would presume in the world I come from that a signature is a verification that this document is sound to be here. Unless she was under duress and maybe she can clarify.

Hon. Catherine Nyawira: Hon. Speaker, the issues raised by Hon. Chris Mark are pertinent. The majority have their way and the minority have their say. I choose to have my say in this House while standing here. Thank you. Hon. Speaker, I was saying that this corrigenda fails to have critical attachment…

Hon. Chris Mark: Sorry to interrupt the Hon. Member but this is the second time. There was a clarification we seek to give you advice. A clarification should be there before word continues. You do not have a say in this Assembly like when you are in a rally using a microphone. You have it in a document like a minority report. I am wondering maybe the committee is working under duress or maybe someone put the signature here by mistake.

You can be blaming her yet it is not her problem. I am wondering and I am curious why she signed yet she felt that her way. The way here officially is via a memorandum especially if you are a member of that committee. It comes through a minority Report. Mr. Speaker, give your guidance so that at least I can rest easy and allow the member to continue with her robust debate. Thank you.

Speaker: Hon. Nyawira, do you have anything to say on that or I give the direction. I would say that whatever we have we are human beings. We are dynamic and people change their mind. Whatever decisions we make today are not cast on stone. I feel it is her right whether she wants to disown what she signed for. Hon. Catherine Nyawira you can continue.

Hon. Catherine Nyawira: Thank you, Hon. Speaker for defending me from the Hon. Christopher Mark. This corrigenda lacks critical attachment that allows this House if passed to perform oversight functions. It lacks the bill of quantities and survey on the ground for the proposed projects. Should these projects not happen within our timeline, we will have denied the Assembly what will come next, the privilege to oversight these projects.

It is not a lie that this House has not received several documents to projects that were done. We have requested for these documents and they have not been brought before this House. Thank you, Mr. Speaker.

Hon. Simon Kanyutu: Thank you, Mr. Speaker. I support this corrigenda. Mr. Speaker, I thank your office and that of the Clerk for taking us to Sunstar Hotel for a seminar. Mr. Speaker, we were taken through what pertains to Infrastructure Bond. Previously I did not know what they meant. By the time we were doing the corrigenda on DMSP, I wholly support it because I have come to learn what we are doing in our county.

Mr. Speaker, for the bond to be in DMSP is something that has been done by the National Government and that proofs that our county is viable. The survey has been done within a period of three years. That is why the Governor had the authority to ensure we have the bond within the DMSP. I felt proud when I had an interaction with these officers from the National Treasury. This is not something that we are doing for the county.

Even after we pass as an Assembly, the report has to go back to the Treasury for them to approve that our county is viable to have bond in the system. Mr. Speaker, it is unfortunate because I have heard that we may not be in this Assembly next time. Even if I will not be here, I will not go away with the development that have been brought in Laikipia. I will retain and those who will be here will supervise to see that everything have been done in the right manner.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

What I would urge our members is that we do not deny developments in our area. The amount that is in the bond has been calculated as per the local revenue collection. Mr. Speaker, were it not for your office I was opposing this until I learnt. Why am I denying the bond that is in our DMSP whereas it is beneficial to our people? I support.

Hon. Salma Zamzam: Asante sana, Bwana Spika. Nasimama kuunga mkono marekebisho ya ruzuku ya maendeleo katika Kaunti ya Laikipia. Narudishia kongole Kamati ya Bajeti na ofisi yako kwa kuchukua muda wao na kuona kuna umuhimu wa kuleta tena ruzuku ya maendeleo katika hili Bunge. Hii ni Bunge ya sheria na heshima.

Kamati ya Bajeti ni kamati ambayo iliweza kutunukiwa kazi na wajumbe ishirini na tatu. Tuliweza kukaa chini na kuona kuna umuhimu wa ngazi ya juu. Asubuhi ya leo tulikuwa katika Kamati ya Kuunda Biashara za Bunge na tuliona ni vyema kurudisha ruzuku ya maendeleo katika Bunge hili. Bwana Spika tumeona kuna mambo mengi ambayo yamesimama Laikipia nzima haswa maendeleo. Tulikaa chini na viongozi juzi Nairobi na tulipitishwa nambari kwa nambari. Tulielimishwa zaidi kuhusu vile huu mkopo utaweza kulipwa.

Sio Ndiritu Muriithi anakula pesa ya watu ila ni kazi analetea wananchi wa Laikipia. Bwana Spika, katika pendekezo ya miradi nashangaa kuna bilioni ya pesa. Igwamiti (Karuga Infrastructure Upgrade 102,671,016. Nanyuki Old Bus Park 31,127, 626, Upgrading Juakali Roads Nyahururu 120,142,043.

Bwana Spika, ili hizi mamilioni zifike bilioni moja kuna mji mmoja unapatiwa pesa za ngazi ya juu ilhali hapa tunafanya vuta ni kuvute. Bwana Spika, nasimama kama mwakilishaji wa wachache katika Bunge la Laikipia kupigania watu wangu ili waweze kupatiwa miradi. Tukiangalia Doldol, tuko na Doldol *Infrastructure Upgrade* (Mukogodo East) 98,795,413. Hii ni kongole kwa Gavana Ndiritu Muriithi.

Tuko na maji; Il polei Dam- increased Agriculture Production 67,500,000 na Muwarak-Upgrade Infrastructure/Lighting (Sosian) iko na 87,641,531. Muwarak ni mahali ambapo aliyekuwa Mbunge aliweka Shule ya Kiufundi na inasaidia watoto. Gavana aliona ni vizuri kutenga pesa ili kusaidia watu wa Muwarak, Sosian na jamii yote ya Kaskazini mwa Laikipia.

Bwana Spika, Mwenyekiti ameweza kutupitishia vizuri na nikiwa naibu wa mwenyekiti tutahakikisha hizi pesa zimeweza kuwekwa na riba, Idadi ya kulipa na muda wa kulipa hii pesa. Kamati ya Bajeti ilipendekeza kwa sababu tuliona kuna miradi ambayo haikuweza kufanyika kwa sababu ya janga la COVID. Gavana aliona kuna mahali anaweza kuomba pesa ili afanyie Wanjiku maendeleo.

Kama naibu mwenyekiti tuliona ni vizuri kuleta kwa Bunge la Laikipia ili wananchi waweze kufanyiwa miradi. Naunga mkono mia kwa mia na naomba wajumbe wenzangu waweze kuunga mkono ili tuweze kufanyiwa maendeleo na ruzuku ya maendeleo ambayo tumeleta katika Bunge ili ifanyiwe marekebisho. Tutafuata utaratibu wa bajeti ili turudishe ruzuku katika Bunge la Laikipia ili tufanyiwe maendeleo.

Mimi kama naibu mwenyekiti wa Kamati ya Bajeti tuliona ni vizuri na siku ya leo najua Wabunge watakaa chini na waone umuhimu wa Wanjiku kufanyiwa kazi. Ni vizuri tupitishe ili kesho tuje na biashara nyingine na tupitishe bajeti ili wanalaikipia wafanyiwe kazi. Asante, Mheshimiwa Spika. Naunga na naomba Wabunge wenzangu waweze kuunga mkono.

Hon. Mutahi Muritu: Asante, Mheshimiwa Spika. Huwa nasema kwamba katika mwaka wa 2010 Kenya ilipata Katiba mpya. Kwenye katiba ambayo tulipata ilisema ya kwamba Kenya itakuwa na utawala wa serikali mbili. Kuna serikali ya taifa na ya majimbo. Katika mwaka wa 2013 uchaguzi ulifanyika na serikali ikapatikana. Mwaka wa 2017

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

mwenyezi Mungu alitusaidia tukabahatika hapa lakini utaratibu wowote wa kisheria na serikali, tunapofanya uchaguzi mgombea wowote awe ni wa Bunge, Seneta ama Gavana lazima atoe ilani ya uchaguzi kwa wapiga kura.

Sasa kwa sababu tuko mwaka wa mwisho ndio pengine utaona kuna utata kwa sababu tunaelekea kwenye uchaguzi. Sisi ni wanasiasa na tusije tukajificha. Mimi niliwapa watu wa Tigithi ilani na labda nimetekeleza asilimia 60 ama 70. Nikiweza kupata mwanya wa kuweza kutekeleza asilimia 85 itakuwa ni mwafaka zaidi kwangu.

Hivyo basi Mheshimiwa Spika, swala la *corrigenda* kwa tafsiri yangu na naomba kukosolewa ni kama mtihani lakini nikaanguka na nikapata nafasi ya kusahihisha. Sasa tunachokijadili ni swala nyeti sana...

Speaker: Hon. Veronica. Order Hon. Mutahi!

Hon. Veronica Ikunyua: Mheshimiwa Spika, naomba Mheshimiwa Mutahi anielezee ni nini anachosema kwa hiyo *corrigenda* kwamba alianguka mtihani, kurudi kusahihisha. Amerudi na Kanuni gani ya Bunge kwa sababu hapa tunaongozwa na sheria. Ametumia sheria gani kurudisha huo mjadala?

Hon. Mutahi Muritu: Mheshimiwa Spika, nafikiri sitapata hiyo nafasi ya kujibishana. Ninachosema ni kwamba ni mfano. Nasema unaweza fanya mtihani na kuamua kusahihisha. Wewe binafsi ukaona urudie mtihani kwa sababu sisi zote si malaika. Sisi ni binadamu na naweza kukosea...

Hon. Veronica Ikunyua: Hon. Speaker, I agree with what he saying but I would like to know the Standing Order they have decided to bring the report back with. What he is telling us is that they have done an exam and because they have failed, they decide to bring it back. I would like to know the Standing Order they have used.

Hon. Mutahi Muritu: Mheshimiwa Spika, kuna mnyama mmoja anaitwa beberu na samahani sana kama nitakuwa nimekosea lakini kwa heshima yako kwa sababu hata yeye hajatumia kanuni, sitataka hivyo kwa sababu naheshimu kiti chako. Natoa mchango na umenipa nafasi kama Kiranja wa Bunge kuweza kutoa mchango wangu. Bwana Spika, kwa heshima naomba niendelee nijieleze mimi mwenyewe.

Speaker: Hon. Mutahi you need to be mean with the kind of examples that you give because the Member is asking and you are saying that you are redoing the exam again. I think what the member would be getting from that is that you did a DMSP and today you have come to do another DMSP. As I said before what we have on the table is not DMSP but a corrigenda.

Hon. Mutahi Muritu: Mheshimiwa Spika natoa mchango wangu na najisahihisha mwenyewe. Sijaomba ruhusa kwa mtu yeyote na yeye yuko na nafasi hiyo wakati wake ukifika. Kwa hivyo sihitaji maelezo. Mimi katika nafsi yangu na ile mamlaka nilipewa ya kikatiba…

Speaker: The Member is not giving you information. The Member was seeking a clarification.

Hon. Mutahi Muritu: La, Mheshimiwa Spika, hajaeleza kitu kama hicho. Amesimama...

Speaker: Hon. Mutahi, if I got it right, I think the Member is asking that if you say that you have reintroduced something, on which Standing Order have you done so? I think that is what her question was.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

Hon. Mutahi Muritu: Mheshimiwa Spika, nakuomba kwa heshima. Kupitia kiti chako, mimi nimepata nafasi ya kutoa mchango wangu. Maelezo yangu ninayojieleza mimi mwenyewe, ni mimi Mutahi Muritu wala si Bunge nzima. Mimi najisaili kwenye moyo wangu na ndivyo najieleza. Mjumbe mwingine yeyote atakapopata nafasi yake, kama ambavyo mchangiaji amesema, yuko na nafasi yake ya kujieleza.

Singetaka kuenda zaidi, na ndipo naomba kujieleza. Nikasema labda mimi mwenyewe, nilijisahihisha mimi mwenyewe. Katika tafsiri ya *corrigenda,* ni kama kuangalia tena ili iweze kuwa na uwiano, kwa sababu hizi ni nyaraka za serikali na tunaenda kwa utaratibu. Hapa tuko na DMSP, tuko na CFSP. Hizo ndizo taratibu za kisheria, na ziko wazi kabisa katika sheria.

Hon. Veronica Ikunyua: Thank you, Hon. Speaker. There is something that I am not getting from Hon. Mutahi. I would like clarification. The way he is explaining is as if this corrigenda was brought here again. This is a House of rules and order, can I please be informed, because I am not getting it?

Speaker: Hon. Thomi you want to chip in to help?

Hon. Peter Thomi: Yes, Mr. Speaker. Mr. Speaker, I believe this motion was given a notice by Hon. Ndiritu, and he also gave the motion. To my understanding, Hon. Mutahi is contributing and giving his part as he understands the motion.

Speaker: Hon. Mutahi, I think what the Member is simply saying, and I had told you, just be mean with the examples that you give because if you give an example that implies as if you brought a corrigenda and have brought a corrigenda again, I think that is where the problem is coming in. It is just simple to say that whatever we have is a corrigenda and is not the DMSP, and we have not had another corrigenda. I think it is as simple as that. Continue.

Hon. Mutahi Muritu: Mheshimiwa Spika, anayeuliza swali ni mwanachama wa Kamati ya Bunge, ndio walioleta ripoti, kwa hivyo labda hata ana ufahamu zaidi kuliko mimi. Kwa hivyo ingetakikana...

Hon. Veronica Ikunyua: Thank you, Mr. Speaker. I think Hon. Mutahi is attacking me for nothing. According to this corrigenda report, he cannot see my signature here. Yes, I am a member, but I did not attend. I do not know why he is attacking me. I am just asking him to clarify whether this is a second agenda that he is bringing.

Speaker: I wish that we do not delay so much on that. Hon. Mutahi be informed that Hon. Veronica has not signed that report. Just go ahead and finish so that we can… Hon. Deputy Speaker and Hon. Ndiritu, you have something to say on the same?

Hon. Daniel Nyausi: Yes. Thank you, Hon. Speaker. I think it is not in order for a Member who is representing other Members, and she was in that committee and was invited to that meeting; why did she not get time to go? Probably the situation here would not have been the one that we have because she would have managed to advise if there is any advice she has that she thinks is better than the other Members who attended the same meeting or rather who have prepared this report. Now she is here, she did not go to the meeting yet she was invited, taking us back to where we were many years ago. That is not in order, thank you.

Speaker: Hon. Ndiritu what is the issue, so that I can give Hon. Veronica to…

Hon. Stephen Ndiritu: Bwana Spika, nilikuwa nataka kutoa maoni yangu kidogo niseme ya kwamba wakati...

Speaker: On what?

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

Hon. Stephen Ndiritu: Nataka kutoa ufafanuzi kama Mwenyekiti. Nataka kueleza Bunge ya kwamba ripoti yoyote inayokuja Bungeni, ikiwa imewekwa sahihi na Mwenyekiti yeyote, hiyo ni ripoti ya kamati. Haimaanishi kwamba unaenda kuweka kila kitu sahihi. Nafikiri huo ndio umekuwa mtindo wa ripoti zote ambazo zinaingia kwenye hili Bunge. Asante.

Speaker: I wish that we move away from that. Hon. Veronica maybe you can say something then we go back to Hon. Mutahi.

Hon. Veronica Ikunyua: Thank you, Mr. Speaker. I think the Hon. Deputy Speaker and Hon. Stephen are out of order because what they are explaining is not what I am asking about. I am asking, what is Hon. Mutahi telling us, that this thing is being reintroduced to this House? That is what I wanted. We are not discussing about the signatures, because I did not attend the meeting.

Speaker: Hon. Members, I wish to push the debate forward. I think I have made that clarification, that what we have is not a DMSP, it is a corrigenda statement. I ask the Member who was on the Floor that you kindly be mean… Hon. Mutahi just sit down. I ask that you kindly be mean with the examples that you give so that they do not imply something different. You can continue, Hon. Mutahi.

Hon. Mutahi Muritu: Asante. Mheshimiwa Spika, wacha nijieleze zaidi niseme ya kwamba serikali ya Ndiritu Muriithi na Bunge la Wajumbe wa Laikipia kumi na watano pamoja na walioteuliwa walikuwa wamewapa wananchi wa Laikipia ilani ya uchaguzi. Waliweka pia miradi ya kimkakati ya kuweza kusongeza Kaunti hii mbele. Labda wengine kwa vile wamekuwa wafaidi sana kwa vile maendeleo yamepatikana kwenye maeneo wanakotoka, kumepatikana barabara za lami, kumepatikana maendeleo makubwa sana ya mabilioni ya fedha.

Tukisema ukweli, hii serikali ya Ndiritu Muriithi, asilimia kubwa ya fedha za ruzuku tunazopata kutoka RMF zinatumika katika miji miwili: Nanyuki na Nyahururu. Sisi kwenye maeneo yetu, kama sasa hivi nitaambiwa nitabahatika kupata hata mita mia tano katika mji wa Matanya ninakotoka, mimi nitakuwa wa kwanza kuunga mkono, kwa sababu mimi nataka kutekeleza ilani yangu ya uchaguzi.

Miaka mitatu iliyopita, kama sikosei, tuliitwa Nyahururu tukipewa ripoti iliyokusanywa kutoka Kaunti nzima ya kuonyesha uwezo wetu kama Kaunti ya Laikipia. *Statistical Abstract* tulifanyia Nyahururu. Pili ni kushukuru Katibu wa Bunge pamoja nawe, Mheshimiwa Spika. wiki tatu zilizopita, baada ya hili suala tunalokuja kuonyeshana eti kwamba labda mimi napinga ama naunga mkono, mlituita kwenye warsha mmoja Nairobi. Mlituitia maofisa kutoka kwenye Hazina wakaja wakatusomesha ni kipi hicho tunachokijadili.

Wakaweza kutueleza vizuri sana, wakatuambia katika Kenya nzima sio zaidi ya Kaunti tatu, Laikipia ikiwa mojawapo. Wakatuambia, kama kuna mtu aliyekuwa hapo, tuwe wakweli; Mgalla muue na haki umpe. Walitueleza kuwa kama kuna njia mwafaka ya kufuata, ni hii. Bajeti tuliyopitisha katika Bunge lako tukufu asilimia tisini ya hizo pesa tunaenda kulipa wazabuni wetu na madeni. Hakuna miradi mikubwa. Tueleze watu ukweli, tusipoelezana ukweli itakuwa ni tatizo. Ndipo sisi tukajiangalia kama Kaunti na baada ya kufanya vikao vya ndani na nje tukaona kwamba tusipotafuta njia nyingine mwafaka na tumefikisha kiwango hicho, hatutaweza kuwapa wananchi wetu maendeleo.

Ukiangalia kwenye Idara ya Barabara unaona ni zaidi ya milioni mia mbili na sitini. Kwenye idara ya afya... kila mahali tuko na madeni. Kama tuko na madeni katika bajeti

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

iliyopita, tulirithi madeni sisi katika serikali hii iliyopo. Mimi mwenyewe nataka kutekeleza mradi wangu wa kimkakati, *flagship project.* Nitafanya nini? Nakushukuru sana Mheshimiwa Spika kwa kuona wazo hili na kuweza kukubaliana na sisi, na madaraka yako imekupa. Nakushukuru na ninashukuru Mwenyezi Mungu kwa kukupa busara ya kuona kuwa haya ni maisha ya Wanalaikipia.

Sasa hivi tumekwama, na nafikiri karibu kaunti arobaini zimepitisha sisi tukisuasua tu kwa kitu ambacho hakina msingi. Tunaweza kuwa na ushabiki wa kisiasa, mengi yanaweza kusemwa, ninaweza kunenwa kwenye mitandao. Mengi yanaweza kusemwa kunihusu, naweza hata kusemekana kuwa nimenunuliwa. Sasa nikashindwa, katika hiyo miaka mitatu, bei ya binadamu kama mimi ni kiasi gani? Mimi najua utumwa uliisha. Unaposikia mtu anakuambia unanunuliwa ilhali utumwa uliisha, unashangaa ni kitu gani mtu anachokisema.

Mheshimiwa Spika, mimi naunga mkono mchana kweupe. Naunga mkono na nataka mtaa wangu wa Matanya, kwa sababu hata hao wananchi, mtu akitaka kupewa ushahidi, ndio wanaotoa kodi kubwa nami nataka wapate maendeleo. Mimi nataka daraja. Hii ndiyo bajeti yangu ya mwisho katika Bunge hili la Kaunti ya Laikipia. Kinachonisumbua mimi Mutahi Muritu, na niseme leo ninapomkaribisha huyu kijana, hoja yangu kubwa sio kama nitachaguliwa. Hoja yangu kubwa ni iwapo nimewatoa wana Tigithi kutoka hatua moja hadi nyingine.

Hicho ndicho kitu nitajivunia maishani mwangu. Haya mengine yatakuja baadaye. Sisi sio wa kwanza na hatutakuwa wa mwisho. Mimi nachukua huo uamuzi mchana kweupe. Wakienda kwenye mitandao, wewe nenda tu ukaseme kule, bali mimi nimepewa ridhaa na Wanalaikipia pamoja na Wana Tigithi nikate kauli yangu. Sasa hivi mimi nimeona mji wangu wa Matanya unastahili kupata hadhi. Wewe kama hutaki ukae. Asante na naunga mkono.

Speaker: Order! Hon. Mutahi. Hon. Veronica?

Hon. Veronica Ikunyua: Thank you, Hon. Speaker. I think Hon. Mutahi is lecturing people. That is not the way of debating. He needs to be advised.

Speaker: Hon. Mutahi kindly take the advice to address the Members through the Speaker.

Hon. Mutahi Muritu: Mheshimiwa Spika sihitaji kuelezwa naye kwa sababu mimi sikuomba. Sijui binadamu...

Speaker: Well. It is not another opportunity for you to debate, but it is important for Members to realize that you do not address the Members directly so that we do not mentor our newest colleague in the wrong way. Any Member that you want to address, you have to address them through the Speaker. Hon. Kaparo then Hon. Robert Maina, Hon. Thomi and Hon. Meshami, then we will come and do the rest.

Hon. Chalumbo Ole Kaparo: Asante, Mheshimiwa Spika. kabla niseme mawili matatu, namkaribisha ndugu yangu ambaye ameongeza idadi katika Bunge la Laikipia. Karibu Mheshimiwa. Najua kwa kweli sisi tumetembea nawe katika barabara ya Jubilee na Mungu hajalala, kwa hivyo nakukaribisha kwa mikono miwili. Namkaribisha pia kwa sababu mwakilishi wa watu wa Sosian kweli amesimama hapa na kusema kwamba kukipatikana katika wadi yake ya Sosian mwakilishi anayewakilisha watu ambao Mheshimiwa Jacob anawaongoza, basi inabaki wadi yangu. Hilo ndilo la pili kwa sababu sijawahi pata, tangu niingie kwenye hili Bunge la Laikipia mnamo 2013, bali ipo njiani yaja.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

Mheshimiwa Spika, nikisimama hapa jinsi ambavyo nimesimama, zaidi ya watu elfu kumi na tano ninaowawakilisha kule Segera, na ambao wamenipa uwezo na mdomo ya kuongea hapa, ninaongea kwa niaba ya watu wa Segera. Ijulikane vizuri, mchana wa leo; usiku na mchana watu wanaongea. Mimi nasimama leo hapa kama mwakilishi wa watu wa Segera. La kwanza, nashukuru Gavana wa Laikipia kwa sababu ya kukumbuka kuwa Segera inahitaji maendeleo, nami nimeweka sahihi na kusema ndiyo, Segera yahitaji maendeleo. Ni watu wa Segera wamenituma niseme hilo.

Naweza kusimama hapa niseme kuwa watu wa Segera walikuwa kwenye mkutano pamoja na afisi ya Gavana kule Segera, nasi tukasema ndiyo, tutakubali huo mkopo iwapo watu wa Segera watafaidika kwa njia moja au nyingine. Ndiyo maana nasimama kidete hii leo. Watu wa Segera, sio asilimia mia moja wanaosema ndiyo, bali tisini na tano, bali itakuwa mia kwa ajili wataona kile ninachoona hapa. Ninaona zaidi ya milioni tisini imeelekezwa Segera.

Mimi nasimama kusema ndiyo kwa sababu kama hayo maendeleo yatapatikana; kama Gavana atapata kile kinachosemekana na wanaosema, waendelee tu kusema; anayesemekana kuwa akimpa Gavana hizo pesa atakuwa amepata sifa. Kama Ndiritu Muriithi atapata sifa, mbona Kaparo asipate sifa naye yuko huko ndani? Wanaosema hivyo waendelee kusema. Nami naendelea kusema ninamshukuru Gavana.

Nashukuru Kamati ya Bajeti kwa sababu bajeti ndiyo imeleta mambo ya huu mkopo. Huu mkopo sikuwa nautaka iwapo sijahakikishiwa na Gavana kwamba utaleta maendeleo kwa watu wa Segera. Kweli sisi ni wanasiasa, na wanasiasa wanaweza kuongea mambo Jumatatu na Jumanne waongee mengine. Naweza kuthibitisha hilo kwa sababu nimewahi kusimama mbele ya Bunge na kusema sitaki kuona huo mkopo. Leo nasimama kusema kuwa nataka kuuona kwa sababu ya maendeleo yanayokuja Segera.

Wanaoeneza porojo ni wale ambao wamekosa kazi ya kufanya. Ndio wanaoeneza porojo kusema kuwa mtu fulani amenunuliwa na pesa kiasi fulani. Wakipelekwa kotini wataweza kudhibitisha mimi nimenunuliwa kwa pesa kiasi fulani? Hiyo ni porojo tu inayoenezwa na waliokosa kazi ya kufanya. Wananchi walionileta kwenye hili Bunge ni watu wa Segera na hao pekee ndio naogopa. Siogopi mtu mwingine na siogopi kusema, na nitaendelea kusema.

Mheshimiwa Spika, nakubaliana na ripoti iliyoletwa Bungeni leo na naiunga yote mkono kwa sababu ya maendeleo ninayoona yakija Segera. Naungana na kamati kusema ndiyo. Wanaotaka kupiga simu ama chochote wanachotaka kupiga wapigie kule kwa wananchi walionileta hapa kusema kuwa nimekubali mkopo kwa sababu ya maendeleo ya Segera. Sio kusema nimekubali kwa ajili ya tumbo langu.

Wanaoeneza porojo waendelee kufanya hivyo lakini mimi nasimama na watu wa Segera kwa sababu siwezi kuungana na mtu yeyote ambaye maendeleo ninayoona kule yeye aliko siyaoni kule niliko. Sisi kama watu wa Kaskazini tumesimama na huo mkopo kwa sababu tumebaki nyuma, na tutazidi kusimama nao. Asante na Mungu awabariki.

Hon. Robert Maina: Asante, Mheshimiwa Spika. Kabla sijanena nataka kumkaribisha Mheshimiwa Lochimidi katika Bunge la Laikipia awe nasi katika hili Bunge ili tuwafanyie Wanalaikipia kazi. La pili, ningependa kushukuru Kamati ya Bajeti kwa kuona ni vizuri kuleta *corrigenda* ili tuweze kufanyia Wanalaikipia kazi. La tatu, ningetaka kumshukuru Gavana wa Laikipia kwa kuona ni vizuri.

Mheshimiwa Spika, janga lililoingia kwenye hii dunia, ambalo ni janga la Korona lilisimamisha mambo mengi sana ikiwemo maendeleo na uokotaji wa kodi, na taifa la Kenya

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

likasimama. Gavana wa Laikipia aliona ni vyema aende kukopa pesa ili tuendelee na maendeleo ambayo sisi wenyewe waliotuchagua ilani wakati wa kampeni.

Nataka pia kushukuru Laikipia nzima kwa kuweza kuokota kodi na wakawa nambari mbili miongoni mwa kaunti arobaini na saba, hadi wakafika kiwango cha kupewa mkopo. Nikiangalia hii nakala, naona Gavana amekumbuka Ngobit tena na kuipa milioni tisini na tatu ili mtaa wa Wiyumiririe uweze kung'aa. Mimi nashangaa eti kuna wengi wanaopinga, tukijua kwamba mji wa Nyahururu umejaa lami, mji wa Nanyuki umejaa lami, mji wa Rumuruti pia umejaa lami. Kwani hizi wadi zingine zilizo na mitaa tunayotaka kuinua hazina watu?

Tuelezane ukweli, ya kwamba hii *corrigenda* imeweza kuangalia kila wadi. Wadi ya Igwamiti katika hii nakala imepata milioni mia mbili na ishirini, na wengine wao ndio wanaokuja hapa kupinga maendeleo ya Wanalaikipia. Mtaa wangu wa Wiyumiririe uliweza kupewa pesa ya ruzuku na Benki ya Dunia bali hiyo kazi ikawa na mushkili kidogo. Unataka kuniambia nikiwa Mjumbe wa Ngobit nipinge hii ili mtaa wa Wiyumiririe ubaki vilevile? Watu wa Ngobit watanilaumu maishani mwao. Nasema kuwa na watu wa Ngobit wajue, naunga hii mkono mia kwa mia ili mtaa wangu wa Wiyumiririe uweze kupata lami kama zilizoko Nyahururu, Rumuruti na Nanyuki.

Mheshimiwa Spika, nataka kuwatahadharisha wanaowania viti katika mwaka wa 2022 ya kwamba tunajua mambo yanayoendelea. Hawataki Gavana wetu Ndiritu Muriithi aweze kung'aa kupitia huo mkopo. Wanajua kuwa akitekeleza hiyo kazi hawataweza kumfikia. Tuambiane ukweli. Kama wewe unawania kiti cha mwakilishi wa wadi, Mbunge, Seneta, mwakilishi wa kike au Gavana, kuwa mpole. Mwaka wa 2022 hauko mbali, utakuja kwa uwanja na mtapambana. Kwa hivyo wacha kupinga maendeleo ya Wanalaikipia. Hata unafaa kushukuru kwa ile kazi ambayo itakuwa imefanywa, wewe ukibahatika kuja utafanya kazi kidogo tu ambayo itakuwa imebaki.

Sioni haja ya wewe kupinga maendeleo ya Wanalaikipia ilhali unajua hili janga la Korona lilisimamisha mambo mengi sana. Nawaambia Waheshimiwa Wajumbe wasirudi nyuma. Tendeni haki kwa Wanalaikipia ili tuweze kuendelea mbele. Naunga mkono mia kwa mia, asante.

Speaker: It was Hon. Thomi then Hon. Meshami.

Hon. Peter Thomi: Thank you, Mr. Speaker. In few words also, I want to be categorical. First of all, I thank the Committee of Budget and Appropriations because what we are discussing here is the report brought here by the Committee. Let us respect ourselves. We have many committees and every time we come here we discuss, agree and approve the motions ahead of us. So I want to thank the Budget Committee for this motion that they have brought.

Sometimes it is not fair to ourselves. We in this House, we seated here understand what is here. We understand this report. These Members have had many meetings for the last few weeks on the same. The only person who does not understand what is being said here is the one seated in the gallery and the one on social media who is being cheated by some people here. The truth of the matter is that this is something we understand and know as Members and that is why we are in this House.

Early in the morning, Members of the House Business Committee came up with this report and they are in this House, and they signed that it comes here. Then a few hours afterwards Members in the committee came up with this corrigenda report and signed and brought it here. So when we come here and say that this or that should not be done, we know ourselves. Sometimes we should be fair to someone like Hon. Esokon who came in here and

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

stood there and raised the Bible. Why do we cheat God all the time? That was the first thing we started with. He was sworn in and now we are showing him how we do backward things in this House.

Mr. Speaker, if you are for this report we are also for this report. We are not going to deny this committee. This is a committee that has been there since 2017 and has come up with so many reports. Somebody should not stand here and say that they represent a ward. It is true that you represent a ward, we know that. But the Governor has 15 wards. You are talking of your ward but you do not know about my ward, but the Governor and the Executive know that Laikipia has 15 wards. As a result, we are not going to fool Laikipians because we have agreed.

I support this committee on the corrigenda report. We pass it and tomorrow do what we are supposed to do so that we can continue serving Laikipians. Whether we approve it or not, 2022, God willing, is coming. If you are to go home, you will give room to someone else like Hon. Esokon. If you are to come back, you will come back and work for Laikipians. The banks have not been closed, the counties are not coming to an end. If we want to borrow more money, the bond is there.

Speaker: Hon. Thomi, kindly address the Members through the Chair. I think I had…

Hon. Peter Thomi: Mr. Speaker, Sir, sometimes guide this House. If we are to agree with what you are doing, do we clap our hands like we are in nursery school? Mr. Speaker train these Members sometimes to behave the way we are… we have orders in this House. You do not clap your hands when you want to show the gallery that there is something you are saying. Open your mouth and talk.

Speaker: Hon. Veronica Ikunyua. Order! Hon. Thomi.

Hon. Veronica Ikunyua: Thank you, Speaker. I think Hon. Thomi is being out of order, he is lecturing us. You know that we are supposed to clap. Even if we do not use our hands, he knows how we do it, so he should not lecture us. We have rights.

Hon. Peter Thomi: Mr. Speaker that is why I said that we know one another. The ones being addressed are in the gallery. Somebody knows what he or she is saying. We are here contributing to a motion. I have my rights here and I am not hiding. The whatever is on, so I am not hiding. I know the people of Githiga are also there and they are more than you know. They know who the honest people here are. So I am not lecturing anybody and will not lecture, but because I am in school, I will be a lecturer one day and will teach a lesson to some of you. I totally support this report by the Budget Committee. Thank you.

Speaker: Thank you, Hon. Thomi. We will then have Hon. Meshami. I will ask all of us. It was Hon. Meshami, I had given them a chance quite earlier. I am still to give the rest. We close at 6.30 p.m. so we still have time to debate. The issue we have at hand sometimes will charge some of us. Let us all try to compose ourselves and understand that we are diverse. When I speak I might speak loudly, when I cheer I would cheer the way I want. We do whatever is within our rights but in a way that may benefit all of us. Let us have Hon. Meshami then finish with that group and I will give the second round that was starting with Hon. Wachuka.

Hon. George Meshami: Asante sana, Mheshimiwa Spika. Mimi pia nasimama, na la kwanza ni kushukuru Kamati ya Bajeti kwa ajili ya ripoti ambayo wameleta katika Jumba hili. Ripoti hii ya leo ya ruzuku ya bajeti ni pesa ambayo inakuja kusaidia sisi Wanalaikipia. Ukiangalia ripoti ambayo imeletwa na Gavana, unaona ya kwamba wadi zote kumi na tano zimekumbukwa.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

Bwana Spika, wadi yangu ya Mukogodo West imekumbukwa kwa shilingi milioni sitini na saba ambayo ni ya bwawa la Ilpolei. Nikiwa kiongozi ambaye amechaguliwa na watu wa Mukogodo West, inafaa nisimame hapa siku ya leo na kuunga hii ripoti mkono. Huu ni mradi ambao utakuwa ni mkubwa sana katika hiyo wadi, ya milioni sitini na saba. Leo nasimama hapa nikiiunga mkono mara mia moja na moja nikisema ya kwamba inafaa. Asante sana.

Speaker: We have Hon. Wachuka, Hon. Karuiru, Hon. Chris Mark and then Hon. Veronica Ikunyua.

Hon. Irene Wachuka: Asante sana, Bwana Spika. Kwanza nataka kukushukuru kwa kunipa hii nafasi. Nashukuru pia Kamati ya Bajeti ambayo imeleta hii ripoti ya *corrigenda.* Nikisimama hapa, nimesikia mambo mengi sana wakati Waheshimiwa walikuwa wanachangia na kila mtu alikuja hapa kwa njia yoyote aliyokuja nayo. Kuna wengine walichaguliwa, wengine kama mimi waliletwa na chama cha Jubilee kama wateuliwa. Naja kuwakilisha Wanjiku katika Laikipia nzima, sio Igwamiti. Mimi si mwakilishi wa Igwamiti, mimi ni mwakilishi wa usawazishaji wa jinsia katika chama cha Jubilee, na kazi yangu ni kuenda mashinani na kusikia vile ambavyo Wanjiku anasema.

Leo nasimama hapa kupinga. La kwanza linalonifanya kupinga ni vile Wanjiku analia huko mashinani. Nasikia kila mtu akinena hapa kwamba kulikuwa na COVID, na bado inaendelea. Sasa ni ile mbaya ambayo inatoka India imekuja, unaona watu wanaanguka hapa na pale. Kinachonifanya nipinge ni kuwa mimi nasikia kilio cha Wanjiku, na Wanjiku kuniambia kwamba wewe mama yao tumekutuma... wacha nitumie lugha ambayo inatumiwa mashinani: "Wewe Mama Yao, nyinyi ndio tunaangalia. Kama wewe ni mmoja wa wanaowakilisha watu katika Laikipia nzima katika usawazishaji wa jinsia, na pia aliyekuwa naibu diwani ambaye anajua shida iliyo mashinani."

Mimi nimesimama kuipinga kwa ajili ya Wanjiku na siogopi yeyote. Mimi niko na haki yangu na kila mtu ana haki yake. Hatukuleta haya maneno hapa, eti Waheshimiwa ishirini na wanne, leo tumefika Waheshimiwa ishirini na wanne, ili tukosane. Tukitoka hapa tukunywe chai lakini ukweli wa mambo ni kuwa Wanjiku ana shida. Wacha kutusi Waheshimiwa, wacha kuongea mambo mengine. Hiki kitu hakikuletwa hapa...

Speaker: Hon. Wachuka address the Members through the Speaker.

Hon. Irene Wachuka: Pole, Bwana Spika. Bwana Spika hatukuletwa kwenye hii Nyumba ili ninaposikia mwenzangu akichangia nisikie vibaya. Ana haki ya kuchangia. Mimi leo nimesimama kwa niaba ya Wanjiku wa Laikipia. Ada ya leseni iko juu. Akina mama wanaokata kata mboga, Wanjiku aliye mashinani, hana chochote. Akisikia mzigo mwingine unawekelewa kwenye mabega yake anakuangalia wewe.

Bwana Spika wewe huwezi kuulizwa maswali huko mashinani kama sisi. Mimi nina shida nyingi sana ambayo nimekutana nayo. Pesa kidogo ambayo ulinilipa Julai, hata senti sijaweka mfukoni. Kwa nini? Asubuhi watu wanakulilia kuwa hawana sare za shule na vitu vingine. Mimi nimesimama kuipinga leo mchana kinagaubaga na sina ubaya na mtu kwa sababu nina haki ya kupinga ili nami nimrudishie Wanjiku ili pahali aliko ajue mimi nimesimama kuipinga. Hakuna haja tusimame hapa eti kwa sababu mwenzangu... nitamtumia Mheshimiwa Chris kwa mfano, na asisikie vibaya. Mheshimiwa Chris akisema anaipenda eti mimi nikasirike, mbona?

Sisi tuko hapa kama Nyumba moja, tukitoka hapa bado tutakuwa Nyumba moja. Mimi niko na haki yangu ya kuipinga na siogopi. Ninaipinga nikijua shida iliyo mashinani. Isipokuwa

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

watu hawafungui roho, shida iliyo kule mashinani... Naona wengine wakijipiga vifua. Mimi siwezi kujipiga kifua. Niko hapa kuongea ukweli wa mambo na najua hata wewe Bwana Spika kuna watu ambao tayari wamekujia na shida zilizo nyumbani.

Hii pesa italipwa kwa miaka mingapi? Ukiangalia, pesa yote ya Laikipia imeenda. Mimi nasimama hapa kama Mheshimiwa Wachuka, katika mabano ni Mama Simba ama kwa jina lingine Mama Yao, aliyekuwa naibu meya, aliyekuwa diwani simba ambayo nilipewa na Moi, na nitaendelea kusimama kidete nikiwa peke yangu. Sina shida na mtu, sisi ni ndugu.

Speaker: Order Hon. Wachuka, Hon. Kanyutu?

Hon. Simon Kanyutu: Mheshimiwa Spika, ningependa mwelekezo kutoka kwa Mheshimiwa Wachuka. Amesema watu wako na shida mingi sana na ningependa aeleze kama shida inaleta maendeleo.

Speaker: Hon. Irene Wacuka.

Hon. Irene Wacuka: Asante Sana, Mheshimiwa Spika. Sitaki kumjibu Mjumbe, nataka kuuliza fedha za ufadhili wa karo ilipeanwa katika hii Bunge. Si mlipeana tulipeana fedha za ufadhili wa karo katika hili Bunge, ya shule ya upili, na pia chuo kikuu hawajapata. Ningependa Wajumbe wote waseme ni ukweli ama si ukweli, kwa hivyo maendeleo haiendelei. Mimi sitasimama hapa nifurahishe mtu, mimi nasema nitabeba msalaba wangu na niulizwe swali kama Mheshimiwa Wachuka sitaki mtu abebe msalaba wangu.

Speaker: Hon. Zamzam.

Hon. Salma Zamzam: Asante, Mheshimiwa Spika. Ningependa kufahamisha mama yetu mama simba, kwa sababu tuko na ruzuku yetu ya maendeleo....

Speaker: Hon. Wachuka, do you want to be informed?

Hon. Irene Wacuka: I do not want anything, Hon. Speaker.

Speaker: Hon. Zamzam be seated, you can continue Hon. Wacuka it is your time, take your time.

Hon. Irene Wacuka: Thank you, Mr. Speaker.

Speaker: What is it Hon. Mutahi?

Hon. Mutahi Muritu: Mheshimiwa Spika, kupitia kiti chako mama Yao anapotosha Bunge.

Speaker: Hon. Mutahi are you rising on a point of order or are you rising on a point of information or clarification?

Hon. Mutahi Muritu: Mimi nataka ufafanuzi.

Speaker: Then request the clarification.

Hon. Mutahi Muritu: Kwamba yeye anasema fedha tuliweka kwa Bunge hii ya ufadhili wa karo ya shule haijapeanwa. Ningetaka anifahamishe kidogo tu mama yao, Mama simba ama naibu meya pesa yetu mwaka wa serikali inaanza wapi na inaishia wapi. Kwa sababu hizo fedha waliokaa na yeye hapo ni mwenyekiti wa kamati ya Elimu na angemweleza afafanue zaidi..

Speaker: Let Hon. Wachuka first respond to that.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

Hon. Irene Wacuka: Asante sana, Mheshimiwa Spika. Mimi nasimama hapa na naongea kinagaubaga. Nimesema pesa tulipitisha hapa.

Speaker: Hon. Catherine Kibue.

Hon. Catherine Kibue: Asante sana, Mheshimiwa Spika. Ningeomba kumfahamisha Mjumbe Irene Wachuka.

Speaker: Hon. Irene Wachuka do you want to be informed?

Hon. Irene Wacuka: She can continue, Mr. Speaker, Sir.

Speaker: Hon. Kibue.

Hon. Catherine Kibue: Asante sana, Mkubwa wangu. Ningetaka kufahamisha Mheshimiwa Wachuka tulipitisha fedha za ufadhili wa karo ya shule wakati wa *Supplementary Budget* na ni ukweli fedha za ufadhili wa karo ya shule imetoka tu ya shule ya upili, ya chuo kikuu bado haijatoka.

Speaker: Hon. Wachuka, you may continue.

Hon. Irene Wachuka: Asante sana, Mheshimiwa Spika. Mimi sitaongea mambo mingi sana, lakini hata ukificha nini siku moja mwangaza itatoka. Hata ukiweka taa kwa debe mwangaza bado itatokea. Leo kila mtu analia chuo kikuu na ninasema shule za upili zilipata, kwani hiyo haikuwa maendeleo?

Ninauliza tu mimi sina vita na mtu yeyote lakini ukweli wa mambo Mheshimiwa Spika wakati huwa naona dosari ikikuja kwa ofisi yako, nakuuliza nini inaendelea. Kwa hivyo sisi tuna haki kusimama katika hili Bunge. Mimi nimesimama hapa peke yangu kusema nimepinga, hata kesho nitaipinga na nitaendelea kupinga hadi dakika ya mwisho hadi Wanjiku amepata leseni..

Speaker: Order Hon. Wachuka, Hon. Zamzam.

Hon. Salma Zamzam: Habari ya taarifa, hiyo mambo ya leseni, sisi Wajumbe wa Laikipia ndiyo tulipitisha kwa *Finance Bill*.

Speaker: Hon. Zamzam, are you giving information or are you seeking clarification? What is the clarification that you are seeking?

Hon. Salma Zamzam: Kuhusu hii mambo ya leseni, Mheshimiwa Spika.

Speaker: You want who to clarify?

Hon. Salma Zamzam: Mheshimiwa, Irene John Wachuka.

Speaker: Then you can seek the clarification kindly.

Hon. Salma Zamzam: Mheshimiwa Spika, Kwa ujumbe ningependa kumuelezea ya kwamba....

Speaker: Hon. Irene Wachuka do you want to be informed?

Hon. Irene Wachuka: I do not want.

Speaker: Hon. Zamzam, order! I believe it is important to say that we cannot use tricks in this House, because they are well outlined rules that guide the House. Anytime that you want

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

to inform a Member, you cannot say that you want to clarify to that Member. It is not only the word clarification, even the content.

If you are not seeking clarification from Hon. Wachuka, then you want to inform her then you have to rise and say that you want to give information, then the Hon Member has to consent your information.

Speaker: Hon. Wachuka continue.

Hon. Irene Wachuka: Asante sana, Mheshimiwa Spika. Mimi nimesema sina maneno mengi sana lakini ukweli wa mambo utasimama. Nitaendelea mimi kutetea Wanjiku kesho na kesho kutwa. Pahali kuna mambo mazuri imetendeka nitaendelea kuunga mkono, Nimesema na nitarudia, sisi hatukuja hapa juu nimekataa mwingine anapitisha tuwe maadui.

Sisi ni ndugu na dada, tulikuwa Wajumbe ishirini na tatu. Leo tuko Wajumbe ishirini na nne. Sisi tuko pamoja na kila mtu yuko na haki ya kusema haki yake. Kama wewe husumbuliwi na watu, mwingine alitaja hapa pesa inakuja Nanyuki na Nyahururu. Ningeomba niseme hivi, wakati kulikuwa Serikali ya manispaa Laikipia, tulikuwa na Manispaa ya Nanyuki na Manispaa ya Nyahururu. Unajua pia kuna pesa inatoka nje kwa zile miji ambayo ilikuwa Manispaa, na kwa hivyo ile ushuru mingi inatoka Nanyuki na Nyahururu. Mimi nitaendelea kusimama kidete kama Mjumbe Wacuka na sina vita na mtu.

Speaker: Order! Hon. Wachuka, what is it Hon. Mutahi?

Hon. Mutahi Muritu: Mimi nataka mama yao anifahamishe kuhusu sifa za kodi, kwa sababu vile anavyodai ni kama kwamba fedha nyingi zilikuwa zinatoka Nyahururu na pia Nanyuki. Nielewe ya kwamba kwa hivyo sisi maeneo mengine haistahili maendeleo kwa kuamini kwake kodi ndipo inapotoka. Anipee kiwango kinachokusanywa katika Laikipia na sana alenge miji hio ndiyo tuweze kufahamishana bila kupotosha umma.

Speaker: Hon. Wachuka.

Hon. Irene Wachuka: Mheshimiwa Spika, Mheshimiwa Mutahi alikuwa amemaliza na wakati alikuwa anaongea nilikuwa nimenyamaza. Mimi nimesimama kidete kusema nimeipinga. Asante, Mheshimiwa Spika.

Speaker: Hon. Karuiru was next then there was Hon. Chris Mark, so that then we can go to the next group.

Hon. George Karuiru: Thank you, Mr. Speaker. Let me just take half a minute to welcome my long lost friend Hon. Loshimidi, who I was with during the high times of the campaign. It is good that he has got this heated argument of Infrastructural bond and to be introduced to heavy words used in this Assembly.

Just allow me to go back to previous time a little bit, and also congratulate the committee led by able Chair Hon. Nderitu on this important document. On the second paragraph it outlines among the objects of devolution outlined under article 74 of the constitution, to promote democratic and accountable exercise to give powers of self-governance, and enhance the participation of the people in the exercise of the powers of the state and making decisions affecting them.

I think the sole importance of this document was to bring about the errors that maybe that we made during the throwing out of Infrastructural bond. Let me also congratulate your office and that of the Clerk for facilitating the whole House, to go and go through this process of the Infrastructural bond.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

As many of us know in this House know about maybe sometimes the less money that we get from equitable share that we thought we would be getting enough. I know it is all crises when we go to our Mashinani and also them wanting we offer more and we don't have. The importance of incorporating the Corrigenda to incorporate all that the Governor and Executive had thought of putting in this important document is the important thing.

We were taken through the Infrastructural bond, and in fact sometimes around June or July the national government had crisis. We had some of our people even wrote to the World Bank that Kenya does not need a loan again. I think now because of the eloquence and how those programs run, it was not listened to.

With that of the National government where we were assured as a country despite of the so many trillions we offer the world bank in the name of loan, we stand a good chance of getting more money. There are so many countries that cannot stand to get that money and as I speak now if you would go the route maybe sometimes I use the Rumuruti- Nanyuki road, it is still in a terrible situation.

I would not want to get worried so much but am always making noise to the National government. Am always begging the President if they would put that tarmac road we would be better to go. I still do not have a lot of money but what am urging if they can get because what personally I think we should be fighting for in this House is development. Actually next year coming that we are now wondering we did put this infrastructural bond, and it has not been implemented.

I think that is the best worry that we should have as the Hon. House of Laikipia County. Through the seminar we were in Nairobi there are criteria's that were followed, other counties that have gone to beg for infrastructural bond but they were denied. Why! because it is not just a go borrow and get loan. It is something that is consequential, and Laikipia County is a good County that qualified for that.

I am wondering because one I have an advantage because I have the Wangwachi dam that I think is in one of the top five big dams in this County. If this dam is made to the letter by the hundred million that is incorporated in the infrastructural bond. I think that is now creating jobs and putting up the four big agendas of the president and I think we would be good to go.

I beg us all like the Honourable Members, we sober up, let us not see particular interests. Let us ask each other we might go according to the criteria that we were told or the process. It might be implemented maybe even come June next year or around July or when we are going for elections. This thing, I think it is not something for the Governor Hon. Nderitu Muriithi, but it is actually for all of us. Two, let us join hands and support for the betterment of Laikipia County. Thank you, Mr. Speaker. I support the Corrigenda.

Hon. Chris Mark: Thank you, Mr. Speaker. First is to commend the Budget committee for a job well done. This report might have come the last time but due to the limit we need for infrastructure bond they did their work through the Chairperson for Budget Hon. Nderitu, who we commend a lot.

Just like speaker after speaker has said, you know the way first the Infrastructural bond was phrased, it was phrased like a way that is someone getting these money either it to pocket and do campaigns there were a lot of things. It is good that we invest in a lot of trainings for Members so that this issue can be demystified and more of us who were converted after training.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

We went further to ask ourselves why when a county borrows from the onset, they are given an approval that you have a credit rate you can borrow. Am looking at the Counties that are ahead of us in borrowing; Kisumu has an infrastructure bond, Bungoma and Makueni which has been ranked three times in a row in development have an Infrastructure bond.

Why do we want to deny the Laikipia the much needed development? As we speak today the Business Daily, says that the National government is floating a 75 Billion bond. It says in this time and era we need to do whatever we can to give our people infrastructure. If not infrastructure, then what are we doing in this House.

If not development then what are we doing in this Assembly, the Hon. Member for Githiga Ward said you might be an MCA of one Ward, but the Governor is an MCA of 15 Wards in this County. He has fifteen expectations with almost 600,000 people to see what the government has done for them.

Like what Hon. Wachuka said, and she is our mother in this Assembly this should be never seen as a fight this should be seen as a robust debate. The way things happened last week even Members were abusing for speaking their minding this Assembly outside there. Someone had lined people to abuse Members here, why?

What are we teaching our people? This is democracy let people debate. I have my say, you have your say, it is not right let us go back if 2022 you feel your Member did not represent you well, then deal with your Member but do not incite Laikipians you know to come and insult Hon. Members.

They are Members at the end of the day and they will not go anywhere, they will go back to the same people. I stand here to support the Infrastructure Bond wholly and if the Governor fails, I tend to believe we as Members we have failed. Personally I am a nominated Member and first I serve at the pleasure of the party, then of course the category which am representing.

The party of jubilee and I stand to be corrected would expect want me to stand with the Governor, in terms of development not any other thing. That is why am doing whatever am doing without fear of intimidation and contradiction. I support it a hundred percent and fully. Thank you, Mr. Speaker.

Speaker: Hon. Jacob, Hon. Mary then Hon. Deputy Speaker.

Hon. Jacob Endom: Asante sana, Mheshimiwa Spika. Kitu ya kwanza unajua hii Bunge imekuwa Bunge ya utofauti sana, kwa sababu wakati wa kwanza tumeleta hii kitu katika hii Bunge. Tukaangusha katika hii Bunge na tena imerudi, wale watu walikuwa wanasema hawataki hii kitu leo ndio wanachangia wanataka. Unashindwa ya kwamba msimamo wa Kiongozi ni gani katika hii Bunge.

Speaker: Hon. Kanyutu. Order! Hon. Jacob, kindly be seated.

Hon. Simon Kanyutu: Mheshimiwa Spika, ningeomba kuelekezwa na Mheshimiwa Jacob kutoka Sosian, kama kwamba alihudhuria shughuli tulikuwa nayo Nairobi wakati watu wenye walikuwa wametoka Hazina walitufunza. Kama angekuwa pale, nafikiri kama hakuwa sijui ningependa...

Hon. Jacob Endom: Hio si swali ya kuniuliza…..

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

Speaker: Order! Order! Hon. Jacob. I think it will be important, as I said that we do not be charged because of course it is a debate that can charge people. It is good to wait until another Member has finished and give you a chance. Hon. Jacob you can now take the floor.

Hon. Jacob Endom: Asante, Mheshimiwa Spika. Kwa hivyo Mheshimiwa ambaye anauliza swali ni yeye wa kwanza alikuwa hapa akaiongea maneno hii ya *Bond*. Saa hii anarudi kuniuliza hio swali na tulikuwa na yeye, iko kitu ingine watu wanaweza kusimama kwa hii Bunge na kuchanganya watu akili bure na walikuona huko.

Speaker: Hon. Kanyutu what is it?

Hon. Simon Kanyutu: Hon. Speaker …

Hon. Jacob Endom: Mheshimiwa Spika, hawa watu wameongea na wakati mimi naongea wanasikia uchungu…

Speaker: Order! Order! Hon. Jacob, I will give you time. I will protect you. Hon. Kanyutu are you rising on a point of clarification?

Hon. Simon Kanyutu: Clarification.

Speaker: What is the clarification that you are seeking?

Hon. Simon Kanyutu: Mheshimiwa Spika, ile taarifa nataka kujua kutoka kwa Mheshimiwa ni ya kwamba, vile tulienda semina Sunstar wiki tatu zilizopita kama alihudhuria ama la.

Speaker: Hon. Jacob.

Hon. Jacob Endom: Mheshimiwa Spika, ama yeye anaweza kujijazia na aeleze hii Bunge kama Jacob alikuwa ama hakuwa. Huwezi uliza swali na ulikuwa kwa hiyo mkutano na kama sikuwa mkutano ungeeleza hii Bunge Jacob hakuwa.

Speaker: Continue Hon. Jacob.

Hon. Jacob Endom: Mimi kama Mheshimiwa wa Sosian, najua ni mzuri kuja kuongea ukweli hapa kuliko kila siku mnachanganya sisi. Hii Bond imewahi kuja nyinyi tu ndiyo mlisema tuangushe, leo tena nyinyi ndiyo mnasema tupitishe. Ujue hii *Bond* itakuwa na shida katika hii Laikipia…

Speaker: Hon. Wakahiu, Order! Hon. Jacob.

Hon. Wilson Wakahiu: Asante, Mheshimiwa Spika. Ningetaka Mheshimiwa Jacob atueleze ni nani alimwambia aangushe kwa sababu anasema ni kuambiwa.

Speaker: Hon. Jacob.

Hon. Jacob Endom: Asante, Mheshimiwa Spika, Nilikuwa na Wakahiu na yeye mwenyewe aliniambia tuangushe, kwa sababu yeye ndiye aliniita chumba cha bodi na akaniambia tuangushe. Unajua hakuna haja ya kudanganyana hapa na yeye alikuwa Mwenyekiti, Kama ulikuwa Mwenyekiti na uliniita na leo unataka kunigeuka, haikuwangi mzuri.

Speaker: Address him through the Chair.

Hon. Jacob Endom: Mheshimiwa Spika, ni vizuri kuongea ukweli hapa kwa sababu ukiniita huko tuongee na tulikubaliana tuangushe na leo unakuja kuniruka...

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

Speaker: Hon. Mutahi. Order! Hon. Jacob.

Hon. Mutahi Muritu: Mheshimiwa Spika, kupitia kiti chako naomba Mheshimiwa Jacob Mjumbe wa Sosian atufahamishe sisi kama ni kuambiwa tunaambiwa, ama ni uamuzi wako kama Mjumbe.

Hon. Jacob Endom: Asante sana, Mheshimiwa…

Speaker: Hon. Jacob, I just said I will you give a chance. You can now have the floor. It is now your turn.

Hon. Jacob Endom: Asante sana, Mheshimiwa Spika. Unajua hawa Wajumbe wananijua tu kwa sababu hata umeona Mheshimiwa kutoka huko akikuja hapa ananiambia Jacob unga Mkono. Nikamwambia sitaunga mkono, mimi nakuwanga na msimamo wangu.

Speaker: Order! Hon. Jacob, Hon. Salma Hussein.

Hon. Salma Zamzam: Asante sana, Mheshimiwa Spika. Ningependa tufahamishwe na ndugu yetu ni nani huyo anamwambia apitishe. Mbona anakubali kuambiwa aangushe. Mbona asikuje na msimamo wake kama Mheshimiwa Jacob kutoka Sosian. Tungependa atwambie ni nani anamwambia apitishe na ni nani anamwambia aangushe.

Speaker: Hon. Jacob.

Hon. Jacob Endom: Mheshimiwa Spika, hata wewe unajua kulikuwa na Kamukunji na unajua pahali mlikuwa mnaongea kwa hoteli na mkaenda kwa hoteli kukaa. Kwa hivyo usikuje kuniuliza maswali na unajua mahali tulikuwa tunaongelelea na unajua pahali tulikuwa tunakaa. Vitu zingine usikuje kuandika hapa mnyamaze muache mtu aongee, mambo yenye nilikuwa mnaongea. Mheshimiwa Spika, kwa sababu sisi tumekuja hapa kwa ajili ya bodi ya maendeleo.

Speaker: Order! Hon. Jacob, Hon. Mutahi.

Hon. Mutahi Muritu: Ni vizuri sana kuweza kutoa ufafanuzi zaidi, kwa sababu alisema tulifanya Kamukunji kwenye hoteli…

Speaker: You are seeking clarification, or what is it?

Hon. Mutahi Muritu: Ndio nataka aeleze kabisa kwa sababu tulikuwa na Kamukunji Nairobi, kwa nini yeye hakuja. Si siri tulikuwa Kamukunji Nairobi, tukiweza kupitia kiti chako na ofisi ya Bunge mkatutafutia. Hiyo mkutano yetu tunapoenda nje inakuwa Kamukunji. Asitake kutuharibia jina…..

Speaker: You do not answer yourself, I think you are seeking a clarification. Hon. Deputy Speaker you also want to….

Hon. Daniel Nyausi: Thank you, Hon. Speaker. I do not find any message that Hon. Jacob has said. It is true we used to go meetings in hotels including the one we get convinced that this bond is good at Sunstar hotel. For sure, I do not see anything that is making us to take all time dwelling on the same.

Speaker: So the Member should not seek clarification as far that is concerned, Hon. Jacob you have the floor.

Hon. Jacob Endom: Asante sana, Mheshimiwa Spika. Unajua ukiuliza swali lazima ujibu mtu. Mimi nakuwanga tayari kujibu ile kitu hata ukinipeleka wapi nitakutolea ushahidi.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

Mimi niko na ushahidi akitaka twende mahali anataka hata kama ni polisi, nitatoa hiyo ushahidi mahali mlikuwa mkutano. Kwa hivyo mimi mniwache niseme vile nataka.

Mimi naambiwa Sosian iko na milioni 87, si lazima nisimame hapa nikubaliane naye nikijua hii pesa bado ni watu wa Sosian wataumia kutoka kwa kodi ya kulipa. Hakuna haja hapa tukuje tudanganyane, mimi kama Mheshimiwa wa Sosian sikubaliani naye kwa sababu najua ile deni italipwa hapa. Ile miezi imebaki kwa hii Wajumbe ni miezi tisa, wanataka kuangamiza watu wa Laikipia kwa sababu wanajua wataenda nyumbani.

Hii ni kitu ya kwanza kwa sababu watu watachagua watu na yule atarudi hakuna kazi atafanya hapa kwa sababu hiyo deni itakuwa imekalia watu hapa. Unajua hakuna haja nikitolewa nikienda nyumbani, niwache deni watu wakiumia hapa wakilipa deni. Afadhali niende nyumbani isemekane Jacob alikataa kupitisha deni katika hii Bunge…

Speaker: Order! Hon. Jacob.

Hon. Mutahi Muritu: Asante sana, Mheshimiwa Spika. Ningeomba ndugu yangu Mheshimiwa Jacob, nimpee taarifa kidogo kama ataikubali…

Speaker: Hon. Jacob do you need to be informed?

Hon. Jacob Endom: Mimi sitaki taarifa ya Mheshimiwa kwa sababu ni mmoja wa kunizungusha na kuniomba ya kwamba nikubaliane na dhamana. Na tulipoenda hoteli akanipata pahali pengine, yeye ndiyo yuko na shida sana. Mimi sitaki taarifa yake, Kwa hivyo tujue Wajumbe wako hapa ishirini na tatu wanaweza fanya hii Laikipia yote ipate shida.

Hii deni tunachukua hapa si ya mtu, ni ya watu wa Laikipia na ni watu wa Laikipia ndiyo wanapata shida kwa sababu ya nyinyi ya kulipa hio deni. Kila mtu hapa ni mwanasiasa ambaye kesho wananchi watasema aende nyumbani na utaenda nyumbani wakiamua. Lazima uangalie nyuma kwa sababu hata wewe utaenda kwa raia, usione kama wewe utarudi hapa utaenda kuwa raia uangalie vile maisha itakuwa baadaye.

Wengine hapa wanasema sawa lakini analilia machozi baadaye, atalipa tu deni ya watu. Mimi sitaongea mengi kwa sababu najua wenzangu wako na uchungu kwa sababu Jacob leo yuko kando sana. Makosa yangu mimi nakuwanga na msimamo, na poleni ndugu zangu na marafiki zangu mimi, sitaki kuangamiza watu wa Sosian.

Mimi nimetoka nchi ambayo hatujui lami, na hiyo lami kidogo ya kuwekwa kwa mji sisi tumewekewa milioni 87. Kwani mtaa kidogo ikiwekwa lami ndiyo itafanya niangamize watu wa Sosian?. Mimi nitafikisha hapo na siungi mkono.

Speaker: Hon. Deputy Speaker.

Hon. Daniel Nyausi: Thank you, Hon. Speaker. I would like to get some clarification from the Hon. Member, that he has said some of are seeing him as if he is in opposition of where he used to be. Hon. Speaker I stand to be corrected that the Hon. Member is the only opposition in this Assembly. Ideally he should be where he is just in any case because he is minority, he is in government, so then he should be where he is.

Speaker: Hon. Jacob.

Hon. Jacob Endom: Asante, Mheshimiwa Spika. Mimi ndiye niko mlengo wa upinzani hapa peke yake, lakini yule mtu ameharibu hii Bunge ni Nyausi. Nyausi ndiye alitudanganya akatwambia tukatae, hii si mara ya kwanza; wacha nikwambie ukweli. Yeye ndiye alienda kuhongwa....

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

Speaker: Order! Hon. Jacob. I just want to inform you that you do not address him as Nyausi just address him as Hon. Nyausi.

Hon. Jacob Endom: Asante, Mheshimiwa Spika. Wakati huu mswada mara ya kwanza kuja, ni yeye wa kwanza kutwambia tukatae hapa, karibu alie tukiwa katika kamati ya H.B.C. Hakika juzi tena ni yeye ndiye ameenda mlango ya nyuma, ni yeye sasa huyu tena anakuja leo kuleta Kiswahili ingine. Hakuna haja uwe Kiongozi na wewe ni msaliti, kama ni mimi nilikuwa Kiongozi wa Wengi ningesema atolewe kwa kiti.

Speaker: Hon. Salma Zamzam.

Hon. Salma Zamzam: Asante sana, Mheshimiwa Spika. Kupitia kiti chako tukufu tungependa ndugu yangu afafanue sababu ya kuita Mheshimiwa Naibu Spika wa Bunge msaliti. Alitwambia twende hivi, hakuna mtu anabebewa na Nyausi akili wala hekima. Kila mtu aliletwa hapa na ndio maana tunapitisha hii *Infrastructural Bond.*

Speaker: Hon. Jacob.

Hon. Jacob Endom: Asante, Mheshimiwa Spika. Unajua hakuna haja watu wadanganyane hapa, kila siku huwa tunaenda tunakaa tunakubaliana kitu. Mheshimiwa Zamzam ile kitu anasema hapa...

Speaker: Hon. Catherine Nyawira.

Hon. Catherine Nyawira: Hon. Speaker, it is clear that the Hon. Member has raised very pertinent issues that have happened in the House Business Committee. I would like a clarification whether this committee was working under duress or does not have an independent opinion to bring business to this House.

Speaker: Hon. Jacob.

Hon. Jacob Endom: Asante, Mheshimiwa Spika. Ukweli wa maneno ni hiyo nimesema ya kwamba yeye ndiye wa kwanza kutwambia tuwache ya pili ni hii anakuja kusema tupitishe. Sioni kitu ingine Mheshimiwa Zamzam kuniuliza maswali hapa, na sitajibu swali lingine hapa na Mheshimiwa Spika usiniite.

Speaker: Hon. Salma Hussein.

Hon. Salma Zamzam: Mheshimiwa Spika, sio vyema Mheshimiwa kunipa habari, anastahili kupitia kiti chako. Na pia aondoe matamshi ya kuita Mjumbe msaliti, tafadhali Mheshimiwa Spika kupitia kiti chako tukufu ndugu yangu Jacob aweze kutoa matamshi.

Speaker: Hon. Jacob I know you have finished but you are requested to withdraw.

Hon. Jacob Endom: Hon. Speaker, I cannot withdraw that statement.

Speaker: I did not get you, it is your time.

Hon. Jacob Endom: Nimesema Sawa.

Speaker: I had not got it before, and then I think now it is Hon. Mary Samken.

Hon. Mary Samken: Thank you, Mr. Speaker, Sir. For giving me this opportunity also to put a word in this corrigenda report. I also join the Hon. Members who spoke before me to congratulate Hon. Member Loshimidi for his nomination. As you have advised to put God first and other things will follow, I would like to tell him that Gods time is the best.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

That is what he never thought could be true, today we have witnessed it becoming true and he is now a Hon. Member in this House. I also take this opportunity to congratulate the committee on Budget, for their wisdom to see that it is good to come with this report so that we correct issues that went wrong sometimes back.

I also thank the Hon. Governor Nderitu, because what he has done it is not against the law as we were told before. I also want to thank your office and that of the Clerk because before we thought infrastructure bond is against the law or the committee is illegal. Now because you took us through a seminar that made everybody here to have an independent mind and to open their eyes and therefore we know, now this is law and it is not as we were told before.

That is why we have decided as Hon. Members to stand each and every one with an independent mind and support and others to oppose. I want to say that it is anybody right to support and to oppose and as Mary, I stand here to support because it is my right. I want also to send a signal to those who were talking to Social Media all over, that we have decided to support because of our own interests.

I want to go to the records of this Assembly that I have decided today to support the infrastructure bond, not because of my own interests but because of the people of Laikipia North that I represent. It is in black and white that other places in this County have lagged behind development wise, and that is why the Governor has seen it wise to get an infrastructure bond that will leave other places so that the people of those places can also enjoy their rights because they also pay revenue as other Members in this county.

The Hon. Member which I respect very much, my brother Hon. Jacob Endom has said he is from a forest and he has not seen the tarmac and I want to urge him that let us support this Infrastructure bond so that also we from that forest we can also feel the warmth of having a tarmac road, the warmth of having a town with cabro, the warm feeling you are part and parcel of this County.

As the Hon. Members has said, I have seen it wise to support it, and I know when it goes to the room my people will never blame me but they will say one day Mary stood for us and that is why we are seeing development in that place. Thank you Mr. Speaker, and I support.

Speaker: Hon. Catherine Kibue then the mover to give a reply.

Hon. Catherine Kibue: Asante sana, Bwana Spika kwa kunipa hii fursa niweze kusimama na miguu yangu ndiyo iingie kwa kumbu kumbu ya kwamba nilisimama na kutetea wanalaikipia. Kwanza nishukuru chama cha Jubilee kwa kunipa hii fursa na kwa kuwa kwa hili Bunge. Nililetwa hapa niwe nikisimamia jinsia na ndiyo maana nimesimama kidete leo na siogopi chochote. Nasimama na wanalaikipia na sitawasaliti na sitawaacha wakiangamia. Kwa hivyo napinga hili bodi kwa maana nasikiza kilio cha wanalaikipia.

Kilio chao nakisikiza katika Laikipia nzima na wala sisikizi sehemu fulani. Nimesimama kama Catherine na hata kama sitapata uongozi siku nyingine, ni vizuri iingie kwa kumbu kumbu kwamba nilisimama na wanalaikipia wakati walikuwa wananihitaji. Niwape ndugu zangu na dada zangu mawaidha na kuwaambia ya kwamba wasiweke siasa kwa roho mbali waweke siasa kwa mapafu ya kwamba ukipumua inatoka kwa sababu kesho tutakuwa ndugu na dada. Bodi litapita na bado tutakuwa kwa hili Bunge.

Tena niwape wengine mawaidha Bwana Spika na niseme ya kwamba uongozi hutoka kwa Mungu. Kwa hivyo kama Mungu amesema ya kwamba uongozi utakuja kwa fulani ni lazima uje na nimenena kama mwanalaikipia nikisema ya kwamba napinga hili bodi. Asante.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

Hon. Veronica Ikunyua: Asante sana. Ningependa kuchangia huu mjadala ulioko mbele yetu siku ya leo. Huu mjadala umeletwa katika hili Bunge hata kama umebatizwa na kuitwa kwa jina lingine. Tuliipitisha katika hili Bunge na tukaiangusha na nitaiangusha tena kwa sababu niko hapa nikiwa nasimamia wanjiku na watu wa Wadi ya Nanyuki.

Nimesikia mnenaji akisema ya kwamba kuna maendeleo Nanyuki. Ni sawa ninashukuru kwa sababu niko Nanyuki lakini ningetaka kufahamisha hawa wajumbe ya kwamba mwaka uliopita tulikuwa na miradi mingi ambayo tulipitisha kwenye hili Bunge na hiyo miradi bado haijatekelezwa. Tulikuwa tumepitisha zaidi ya bilioni tano na si hii bilioni moja. Mimi husikia wakilia ya kwamba Hospitali ya Doldol na Lamuria haijawekwa vifaa za kazi na pia katika Nyahururu chumba cha kina mama cha kujifungulia watoto hakijapata vifaa za kazi na pia zahanati ya Kihato ilitajwa.

Bwana Spika, juzi tena tulipitisha bajeti ya ziada na nikasikia ya kwamba…

Hon. Mutahi Muritu: Mheshimiwa Spika, mimi nataka ufafanuzi kutoka kwenye mwenyekiti wa afya kwa sababu yeye ndiye anasema woi! woi! Na yeye ndiye mwenyekiti. Kwani jukumu lake ni lipi ikatika Bunge ili ache kutuambia woi! woi! Mimi ujenzi unaendelea kwangu.

Hon. Veronica Ikunyua: Asante Bwana Spika, nikubalie niendelee. Maneno hayo yote yako kwenye kumbukumbu na wanaifahamu. Bwana Spika, juzi tulipitisha bajeti ya ziada na katika hiyo bajeti miradi haijatekelezwa tukianzia na mradi wa *bursary*. Tulipitisha *bursary* ya milioni hamsini ndio watoto wapate masomo. Katika hiyo bajeti pia tulikuta ya kwamba ni watoto wa shule za upili pekee waliopewa. Sisi kama wajumbe wacheni tufanye kazi yetu kulingana na vile inastahili. Tunahitaji kufuatilia kwa sababu kazi yetu ni ya uangalizi ili tujue mahali hiyo pesa ilienda. Tulikuwa pia tumepitisha pesa ya …

Hon. Mutahi Muritu: Mheshimiwa Spika, kupitia kiti chako mimi naomba ufafanuzi zaidi. Mjumbe anayeongea…

Speaker: What clarification are you seeking?

Hon. Mutahi Muritu: Mimi nataka anifafanulie zaidi kwa sababu nimechanganyikiwa. Yeye ni mwanachama wa Kamati ya Bajeti na yeye ndiye anafaa kuwa anatuelezea hizo fedha ziko wapi kwa sababu sisi kama Bunge tumejukumiwa kufanya hiyo kazi. Sasa anatueleza ya kwamba tulipitisha bajeti ya ziada hapa na yeye ni mwanachama kwenye hilo kamati na anafaa kutufahamisha tusije tukapotosha uma.

Hon. Veronica Ikunyua: Asante, Bwana Spika. Naomba kuendelea. Hilo bodi liko na bilioni 1.1 na sababu yangu kama Mheshimiwa wa Nanyuki kusimama na watu wangu ni kwa sababu kama unavyojua Korona imeangamiza watu wengi kibiashara. Ukiangalia tunaanza kulipa faida ya hii pesa Desemba ambayo ni milioni 72. Tukianza kulipa bado hatujaanza kulipa mkopo wenyewe.

Bwana Spika, mwisho wa kulipa huu mkopo tutakuwa tumelipa bilioni mbili na zaidi kwa sababu tuko na mkopo. Tutalipa bilioni mbili kwa sababu kila mwezi kuanzia Desemba tutalipa mioni sabini na mbili kama faida. Kwa hivyo mimi najaribu kuangalia kwa sababu leseni za maduka za wafanyibiashara wa kwangu Nanyuki ni lazima itaongezeka. Kama ulikuwa unalipa elfu tano sasa itaongezeka zaidi kwa sababu huu mkopo sio Gavana Ndiritu Muriithi atalipa lakini ni sisi kama wafanyibiashara ambao tutalipa.

Hon. Salma Zamzam: Asante, Bwana Spika. Ningependa pia kufahamika kwa sababu nimesikia mambo ya kulipa leseni na hilo ni jukumu la Kamati ya Fedha.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

Speaker: Are you seeking clarification or you are informing her?

Hon. Salma Zamzam: I am informing her.

Speaker: Hon. Veronica do want to be informed?

Hon. Veronica Ikunyua: I don't want the information.

Speaker: Hon. Kanyutu, what is it?

Hon. Simon Kanyutu: Mr. Speaker, I am standing on a point of clarification from the Hon. Member because the Infrastructure Bond is guided by our local revenue as per the past three years and what has been done. What is that which is coming up that is going to increase the charges that will be passed when we are making the finance bill next year?

Hon. Veronica Ikunyua: Asante, Bwana Spika. Nitaendelea kuchangia na kusema ya kwamba faida…

Speaker: So are you responding to Hon. Kanyutu?

Hon. Veronica Ikunyua: I don't want to respond for now.

Speaker: You have to respond because the Member is within his right to seek clarification. Hon. Kanyutu, You can seek the clarification again and the Member will respond.

Hon. Simon Kanyutu: Mr. Speaker, infrastructure bond is guided by the local revenue collection that has been done within the specific period of three years. I would wish for that clarification because we would not wish for our people to be misled because of increment in charges. She should clarify what will guide that increment in revenue charges and because we are the same people who pass the finance bill here, then we are the same people who will say no? Were it not for guidelines, Laikipia County would have been given more than two billion but as per the local revenue that the county receives, that is why we are guided at Kshs.1.16 billion.

Speaker: Hon. Nyawira, what is it?

Hon. Catherine Nyawira: Hon. Speaker, I would like to just make a clarification and of course probably just inform Members…

Speaker: On behalf of Hon. Veronica?

Hon. Catherine Nyawira: Yes.

Speaker: Are you in agreement Hon. Veronica?

Hon. Veronica Ikunyua: Yes.

Hon. Catherine Nyawira: Mr. Speaker, in my contribution I made it very clear that this corrigenda lacks important attachments that should show how this loan will be paid. One, it lacks a feasibility study of projects being done and the money it will provide for Laikipians. For example, will a road being built make it easier or cheaper for people to travel and then consequently go down to the fuel? Does it show like in Wangwachi Dam, whether the people farming around it will have better opportunity to farm and produce at a lower price? That we don't have and therefore it simply shows that it is the tax and the business permits that will go higher. I believe that in our Sunstar meeting, that is well placed and that is what the trainer conveyed to us. Thank you.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

Hon. Veronica Ikunyua: Asante na ninatumai ya kwamba imefafanuliwa na kwa hivyo naomba kuendelea. Wanalaikipia wajitayarishe kulipa huu mkopo kwa sababu mkopo ni lazima ulipwe. Kukopa deni ni kulipa. Sisi viongozi tumewekwa hapa na wananchi ndio tuje tutetee haki yao. Sisi wanalaikipia tunapatiwa zaidi ya bilioni tano ili tufanye kazi nayo na wakati tunaketi kugawa hiyo pesa, tunagawa sawa na inaenda katika kila eneo isipokuwa *road maintainace levy*. Hiyo pekee yake ndiyo inaenda kwa miji lakini hizi zingine zote kulingana na ushuru wetu tunagawanya sawa sawa…

Hon. Salma Zamzam: Bwana Spika, ningependa kupata ufafanuzi kwa sababu sioni kama sisi ndio kaunti ya kwanza kwa sababu hata serikali ya Kenya iko na deni na mkopo wa hali ya juu. Hii ni kupotosha wananchi na pia hili Bunge. Kwa hivyo ningependa huo ufafanuzi.

Speaker: What clarification?

Hon. Salma Zamzam: Ufafanuzi wa kujua kama ni sisi serikali ya kwanza kukopa deni kwa sababu hata serikali yetu ambayo inaongozwa na Uhuru Kenyatta iko na madeni.

Speaker: But you have answered yourself Hon. Salma Hussein. You are seeking to ask whether we are the first yet you are saying that the National Government has a loan. I think we allowed the Member to proceed in the interest of time. What is it Hon. Mutahi:

Hon. Mutahi Muritu: Mimi nataka ufafanuzi asitupoteshe hapa kwa sababu amemalizia kwa kusema ya kwamba MRF imekuwa kwamba inaenda mijini tu. Huo ni uongo Hizo pesa ni kwamba walipata mapendeleo fulani na hayo ni mapendeleo ambayo ilipatikana kwa miji miwili na kwa hivyo asiseme ya kwamba inastahili haswa kwenda mijini kwa sababu hayo ni makosa kubwa.

Hon. Veronica Ikunyua: Asante, Bwana Spika. Nashukuru sana kwa sababu Mheshimiwa Mutahi amesema ya kwamba mimi huweza kutetea wakaaji wa Nanyuki na ndiposa pesa zinakuja kwangu. Nataka kuendelea na nimalize ya kwamba Kenya nzima iko na deni na huo ni ukweli. Sisi Wakenya kila siku tunalia woi! mafuta na mkate zimeongezewa. Sasa tumeteremka na kuja kwa serikali ya ugatuzi napo tuchukue mkopo. Kwangu nashukuru kwa sababu wale ambao watashinda mimi sina shida na kwa sababu kila mtu yuko na haki ya kutetea watu wake.

Kama wewe watu wako unataka kuwaweka pande hiyo na kubeba mkopo ni sawa. Kama ni mimi ambaye nitashindwa nikiwa pande hii ni asante lakini ningetaka kuwaelezea ya kwamba nitatetea watu wangu wa wadi ya Nanyuki. Nitawatetea asubuhi, saa saba na pia jioni na niseme ya kwamba huu mkopo ukija ni lazima wajitayarishe kulipa leseni na riba zao kwa kuongezewa. Hata hospitali itaongezewa na katika kila kona ili hizi zipatikane. *Parking* za magari pia lazima zitaongezewa.

Mimi najua ya kwamba hii yote tutapanga na itapangika sawa sawa. Kama Veronica naambia watu wangu wa Nanyuki ole wangu, nikishindwa nguvu nitawahuzunikia lakini sina shida kwa sababu nimewatetea mahali ningeweza. Asante.

Speaker: What is it Hon. Mutahi? I think we have to be very keen on the rules of this House. I did not get what you said and I will not give you time to speak.

Hon. Daniel Nyausi: Thank you, Mr. Speaker for giving me this chance to sincerely thank and support the work of the Committee on Budget regarding to the report that they have tabled and moved in form of motion into this House.

Hon. Speaker, let me start by informing this House that we are in devolution. When devolution started, we had what we call a fear of the unknown from the National Government

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

and particularly Members of Parliament of that day were very much against this. I sincerely take this chance to thank the Hon. Rt. Raila Odinga because he is the father of devolution and that should be in records because if it were not for him, today we would not be here. This hall was here for all the time since 1950s but it has never benefitted to this extent. It has become an Honourable House since that devolution that has come to be a game changer in this country.

Mr. Speaker, the essence of devolution is to devolve development into the very sub-county and village level. In those days, all MPs lived in Nairobi but today let me assure you and I am not ashamed in front of this House that today's MPs reside in this town. They only commute but most of the times they are here. Before devolution nobody wanted to get here because there were a lot of potholes and life was hard. But today with devolution things have been devolved and Nanyuki today can compare with big towns like Kisumu or Nairobi in those days.

Now we are asking this House that we want to devolve more and to move from county headquarters to go into sub-county headquarters and divisional headquarters until locational headquarters. Today we are requesting that we make Doldol and other small towns to be better towns. I don't need to be in Nanyuki when we have a smart Town in Doldol.

Mr. Speaker, I need to be with my people but as we speak today, even if I want to go there, rain comes and there is no bridge and that makes it impossible to get there. The money that was allocated in a department…

Hon. Veronica Ikunyua: Asante, Bwana Spika. Ningependa Mheshimiwa Naibu wa Spika anifafanulie kama anamaanisha ya kwamba hii pesa itakuja kutengeneza barabara kutoka hapa hadi Doldol kwa sababu amesema ya kwamba atakuwa akienda kwa lami.

Hon. Daniel Nyausi: Thank you, Hon. Speaker. I know that I should inform the Hon. Member accordingly and it is a yes. That money will make it easy movement to Doldol. So the answer is yes. Hon. Speaker, allow me to continue.

Hon. Veronica Ikunyua: I think the Hon. Member is misleading us because this money is not for that road. Therefore, he is misleading as I heard others mislead us that spatial planning money is for titles. He needs to tell the truth because this is a House of rules and order.

Speaker: Hon. Deputy Speaker, kindly clarify to the Member exactly what the money for smart towns will do to make the movement easier.

Hon. Daniel Nyausi: Thank you, Hon. Speaker. Particularly to Doldol because this is where I come from, the BQ states that we put that town into proper drainage and proper bridges. At the moment we do not have a bridge in that town. Hon. Veronica through the Chair, once we get this money, that road will be fixed in Doldol Town and there will be ease of movement to and fro in 24 hours. As soon as we get this bond, that bridge will be fixed and then movement will be easy.

Hon. Speaker, it is also good to say that Laikipia County today stands on a very high collection rated counties in this country. Once we get this bond, we are going to increase that collection two or three times by offering our people best services. As the people of Doldol lacking bridge and drainage system, the government is still collecting money there. Despite that, we want to give the money and want them to at least feel that they are in the government and where they are supposed to be.

At times we find the government harassing people because for example in Il Polei for all this time the government has only been able to make small pans in the name of dams. Today

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

this bond is proposing that we have a mega dam there where our livestock will be feeding using troughs. Mr. Speaker, with that, we can be able to control diseases such as foot and mouth because if I know that there is a herd of cattle that have fed on the same trough, I will be able to bring some medicine to treat that water to ensure that at least the next herd that will be coming would not get infected, including putting magadi in that water.

Therefore, we are just trying to grant the government this money so that it can improve our livelihood. All of us cannot be accommodated in Nanyuki as we have seen that all of us cannot be accommodated in Nairobi. We have moved from Nairobi to the county headquarters. We are slowly moving into where we are supposed to be moving. Were it not for this devolution, you and I would not be in this place. The likes of municipality which we were talking about, they were far much behind than where we are today.

Let us ensure that our members are adequately served with the right information so that if a person decides to go otherwise, we have stood on our legs and showed them where we are supposed to be. I have been one of those members who have been accused that we I had a different stand in the initial introduction of this bond. I am a human being and I am subject to change. After a long deliberation and I thank your office and that of the clerk for facilitating the Hon. Members to that training where it has become a game changer in this bond.

Mr. Speaker, I am very sure that was not the intention of the Assembly to look for such a facilitator but it was just by coincidence. It was just by your knowledge that the Members needed to be facilitated in such. Once we get this, our lives will change. If today our tax collection stands at Kshs.800 million for example, if that is where we are, with introduction of this bond and we are going to ensure that it meets its purpose, it is not a surprise for me to get 2 billion out of our people. I am very happy because services will be next into their door steps.

Hon. Speaker, some of us are paying taxes when we are literally getting nothing from the government. I request Hon. Members that we see a member of Laikipia staying in Muthaiga as the same as a Member staying in Chumvi or Sangaa. We have been having problems where a person introduces a thing that will help people and is not implemented. An example is affirmative action. We have got some identified sub locations in this county which is only affirmative action which will make them to become uplifted to where most of Laikipia areas are.

Mr. Speaker, that has not been implemented and I would call upon the government agencies that are involved to make sure that such is implemented and to move with speed because we have got some sub locations which are very much desperate. We want to see the lives of all Laikipians being uplifted.

Hon. Speaker, as I conclude by debating, I want to ask the Hon. Members who said that I requested them to oppose the bond at the very initial stages, I take this chance to kindly request them to support the bond now because it is very important and very necessary for our people. Secondly, I will kindly or strongly send a message to the Executive and particularly to the Governor and the rest of his team that today's intention and prayers of Assembly is to utilize this fund to the proposed projects.

We are not in support of anything else, as much as we hear rumours of campaign, the intention of Members in this House is to ensure that 100% of this money goes into development projects the way it was proposed. Thank you and I request the Hon. Members to support.

Speaker: Now I wish to call upon the mover to give a reply. I think it is important also for the members to note that hours of the operation of the House, the business is supposed to

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

end at 6.30 p.m. unless we extend time which must be done by 6.00 p.m. In your own wisdom and if Members feel that we must go beyond time, then we must do an extension before 6.00 p.m.

Hon. Stephen Ndiritu: Asante sana, Bwana Spika. Kwanza mimi nataka kushukuru Wajumbe kwa vile wameweza kutoa mchango wao na wametoa kulingana na haki. Wameongea kulingana na vile wao wanafikiria na ninafikiri wametumia demokrasia kufanya vile wamefanya.

Mimi pia ningetaka kushukuru Kamati ya Bajeti kwa sababu imekuwa mstari wa mbele kuhakikisha ya kwamba Laikipia inasonga mbele na hasa naibu mwenyekiti wangu Mheshimiwa Zamzam ambaye amekuwa akitusukuma hapa na pale kuhakikisha ya kwamba watu wote wamepewa haki ya kuweka maoni yao. Sisi kama kamati ilikuwa ni haki kuleta mjadala kwa Bunge ndiyo kila mmoja aweze kuweka maoni yake katika hili hoja la bajeti.

Bwana Spika, nimesikia wajumbe wameongea mengi na wamezungumza kulingana na vile wanaonelea kulingana na mahali wametoka. Nimesikia wengi wakisema ya kwamba wakati mwingine Waheshimiwa walikuwa na msimamo tofauti na sasa hivi wako na msimamo tofauti pia. Ningetaka kusema ya kwamba Mwingereza ilisema ya kwamba "*only the fools do not change their minds"*. Pengine hawa Wajumbe wameweza kuenda mafunzo na kuelezwa kinagaubaga na ndio waliokuwa wakiongea jambo lingine sasa wanaongea vingine na Bwana Spika hiyo ni haki.

Ningetaka kutaja mawili matatu ambayo imeweza kujitokeza wakati Wajumbe walikuwa wakijadili. Jambo la kwanza, nimesikia wajumbe wakiongea kuhusu mambo ya leseni ya kwamba zitaongezewa. Ningetaka kuambia hili Bunge ya kwamba ni jukumu lao kama Waheshimiwa kuhakikisha ya kwamba hakuna mswada wa fedha ambao utapita hapa wa kuongezea leseni. Mimi nitakuwa mmoja wao kupinga vikali pesa yoyote ambayo itaongezewa kodi kwa mwana Laikipia.

Kwa hivyo badala ya kuongea mengi, Wajumbe wametoa maoni yao na sisi kama Kamati ya Bajeti tumefanya yetu na sasa itakuwa ni jukumu la Bunge kupitisha ama kuangusha. Wale ambao wanapinga wakishindwa watakubali. Wale ambao wanaunga mkono wakishinda wataenda nayo. Kwa hivyo tukimaliza siku sisi wote tutakuwa wanalaikipia. Hizi pesa kama zitapatikana, tutahakikisha ya kwamba hakuna shilingi hata moja ya mwana Laikipia ambayo imeweza kutumiwa vibaya.

Wale ambao wanapinga, wanapinga kwa haki na pia wale ambao wanaunga, wanaunga kwa haki. Kwa hivyo ni jukumu la Mbunge kuja hapa ili kupitisha au kuangusha. Wale ambao wanapinga wasidhulumiwe na wale ambao wanaunga mkono pia wasidhulumie kwa sababu ni haki yao. Katika mwisho wa siku tunataka maendeleo katika Laikipia na tunataka wananchi wa Laikipia wawe wamewakilishwa kwa kona zote. Kwa hayo machache, nafikiria ya kwamba nimetoa maoni yangu, Bunge litapitisha ama liangushe. Asante.

(Question put and agreed to)

CONSIDERED RULING

DEMOCRATIC PROCESS

Speaker: What is it Hon. Veronica? I think that I have made a determination and also you lack the number of Members who would also support you. To request for division, you must have at least three Members and in our case the Standing Order says five but we had proposed another time that we can make it as low as three. So I think we are done.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

Hon. Members, I wish to thank all of you because of the good debate which we have had. This can be a genuine debate where you feel that because of the people whom you represent, then you can stand on either side and speak without any form of fear and speak candidly because of your people. I think that it was a very good debate and I wish that we could continue the same.

As some Members said, we are not enemies no matter which side I am voting because I am voting because of the people who sent me here and represent. I think that we all have to win because we are accountable to our people. At the end of the day for those who were urged by their representatives to ensure certain developments through the bond, they will have supported that and for those who were advised by their representatives not to support the bond, maybe they have stood that way whether they have won or not but they have won for their representatives.

All of us are winners because finally what we say in this House has been achieved that the majority have their way and the minority have their way and that is democracy. You cannot have your way without the minority having their say. Therefore we are all winners and I kindly ask you to rise.

ADJOURNMENT

Speaker: This House now stands adjourned until tomorrow Wednesday, 25th August, 2021 at 9.00 a.m.

The House rose at 5.52 p.m.
