REPUBLIC OF KENYA

COUNTY ASSEMBLY OF LAIKIPIA

THE HANSARD

Tuesday, 7th October, 2025

The House met at the Assembly Chambers at 2.57 p.m.

[The Speaker (Hon. Lantano Nabaala) in the Chair]

COMMUNICATION FROM THE CHAIR

Speaker: Hon. Members, I think we can all see where the problem is. We have struggled to turn on our generator. I think our generator is out because we have a generator that was being used by the local authorities. So, it can't function anymore. As you can see for the electricity, we have a blackout.

We are trying to see if we can gunner up HANSARD recorders which seems we have a problem. So, Members, this is a problem that is beyond us. The main thing now here is that talking does not require light, but we need to record. By law, we must have our sessions on record.

Hon. Simon Kanyutu: Mr. Speaker, we can use candles.

Speaker: No, No! I am saying, speaking does not require light. We can hear without the light but we cannot have the sessions recorded in the HANSARD. So, it is the same as not having a sitting. Therefore, I have a decision to make and allow me, because of our inability to have any record for the Assembly, I request that we may all rise.

ADJOURNMENT

Speaker: The sittings of this House now stand adjourned until tomorrow, Wednesday, 8th of October, 2025 at 10.00 a.m.

The House rose at 3.03 p.m.
