REPUBLIC OF KENYA

COUNTY ASSEMBLY OF LAIKIPIA

THE HANSARD

The House met at the Assembly Chambers at 2.30 p.m.

[The Deputy Speaker (*Hon. Daniel Nyausi) in the Chair]*

PRAYERS

QUORUM CALL

Deputy Speaker: Clerk, confirm whether we have a quorum?

(Lack of quorum confirmed)

(Silence)

COMUNICATION FROM THE CHAIR

COVID-19 ALERT

Deputy Speaker: Hon. Members, I would like to put more emphasis on Covid-19, the pandemic disease. Hon. Mugweru just get in. Covid is still with us and one of our staff has been diagnosed with the said disease. You need to take extra caution. That calls you take precautions seriously as advised by the Ministry of Health. For those of us who are not wearing masks as required, let us follow the health laws to the letter. Otherwise the disease is still alert and we should be careful and the people around us and those at home.

The second Communication I would like to pass across is pertaining the notice Paper that Members of the HBC has been reading towards preparing us psychologically on the businesses that will be coming to the floor of this House. We are putting more emphasis on the same because it is not working as expected and we are not performing as expected. I would like to pass the following communication. The Standing Order No. 39(1);

> *That the Order Paper shall be prepared by the Clerk, showing the business to be placed before taken by the Assembly and the order in which it will be taken, including a notice paper showing the business for each sitting day of the week, together with such other information as the Speaker may from time to time direct.*

Further Hon. Members, Standing Orders No. 45(2) (a);

> *During a Statement Hour-*
>
> *A Member of the House Business Committee designated by the Committee for that purpose shall every Thursday or on the last sitting day, for not more than 10 minutes,*

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

present and lay on the Table, a statement informing the Assembly of the business coming before the Assembly in the following week;

Hon. Members, therefore a notice paper is an official document of the Assembly prepared by the Clerk through authority of the House Business Committee showing all businesses to be considered by the Assembly for the subsequent week. Hon. Members, it is in this regard that every Thursday, a Member of HBC designated by the Committee has been informing this Assembly for the businesses appearing for the following week.

It is therefore required that the chairpersons of committees and its members take note of the business and ensure that the business appearing in the order paper is ready as stated in the notice paper to avoid inconveniences that may arise as a result of the committee not analysing the work. I thank you.

For the last few weeks, we have been trying having a Member of HBC coming and telling us the businesses that will appear the following week. We are still finding our committees requesting extension on the same and statement and reports have got timelines. The committee might be having a statement for a Member who requested a statement, say, on health or bursary or any other thing. If you are given three weeks to respond, we are finding committees taking more than that.

We are trying to encourage so that our statements will not be overtaken by events or even the Members of the public who requested such at least they get information at the required time. We are still asking Hon. Members that we try to deliver on time so that we avoid such. We are finding ourselves seeking for more extension and granting for the same and most of these activities will be overtaken by events.

If a person was asking something that is going to elapse, then we will be able to see that the person is not granted what he or she wanted. Please let us ensure that we are picking timelines of the requested statements so that we deliver on time. Thank you, Hon. Members.

NOTICE OF MOTION

COUNTY ASSEMBLY CAR GRANT SCHEME FUND

Hon. Mutahi Muritu: Thank you, Mr. Speaker. On behalf of the Majority Party Leader, I beg to give notice of the following motion;

> THAT PURSUANT to a circular by the Salaries and Remuneration Commission (SRC), Re No. SRC/TS/COG/3/61/48 VOL (113) on the review of the Car Loan for the Speaker and Members of the County Assembly;
>
> NOTING THAT the salaries and Remuneration Commission deliberated on the matter taking into consideration the constitutional principles of affordability and fiscal sustainability, fairness and transparency when reviewing, setting and issuing advice on remuneration and benefits for state officers as outlined in Article 230(5) of the Constitution of Kenya 2010;

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

FURTHER NOTING THAT SRC took into account section 12(1) of the Salaries and Remunerations Commission Act of 2011, which outlines the principle of equity in remuneration and benefits;

NOW THEREFORE this House URGES the County Assembly Service Board to convert Laikipia County Assembly Car Loan (Members) Scheme Fund established under Public Finance (Laikipia County Assembly Car Loan (Members) Scheme) Fund Regulations, 2014 to car grant applicable to the current Members of the County Assembly and the Speaker as provided for under the above-mentioned circular.

Thank you, Mr. Speaker.

STATEMENT

CONSTRUCTION OF KIANDEGE DISPENSARY

Hon. Joseph Kiguru: Thank you, Mr. Speaker, Sir. I stand to seek a statement on the construction of Kiandege Dispensary in Igwamiti Ward.

Pursuant to provision of Standing Order Number 45 (2) c, I wish to seek a statement from the Chairperson for Health Services regarding the above mentioned subject matter. Mr. Speaker, I had requested for a similar statement in May last year. The response from the Health Services Committee was that there was a land tussle in court pertaining to the land where the dispensary is to be constructed. I believe the issue has since been resolved and it is my desire to ensure that the construction process is complete.

Mr. Speaker, the following is an outline of the budget for construction of Kiandege Dispensary in two consecutive years yet the construction is yet to begin;

2018/2019 Financial Year	Buying land and building a dispensary in Kiandege	Kshs 2,000,000
2019/2020 Financial Year	Construction of phase 1 Kiandege dispensary	Kshs 3,286,102

Mr. Speaker, I request the Chairperson for Health Services Committee to inform this House on the following;

1. Why the land buying has not been completed. The land is yet to be paid for.
2. Why the process for construction of Kiandege Dispensary has not yet commenced so far.
3. When the construction is set to begin.

Mr. Speaker, Sir, the reason as to why I have again decided to seek for the same statement is because I do not know what the issue is with implementing projects in this county especially in the Department of Health. I do not understand if it is right for the members of the community and public because we went round and promised we are going to buy land. Mr. Speaker, Sir, we went ahead and approved the budget of buying the land.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

Two budgets have passed in this House and yet nothing is happening in the ground even buying the land. When the Committee's Chair responded, the first statement on the issue of buying land there was a court case and I understood that. After going through the case and bringing all the documents concerning the registered and administrators of the land I went to all the offices making sure that the correct documents are in order.

Mr. Speaker, Sir, I did the valuation using my own money and two years down the line nothing has been going on. I don't know what the problem in the Department of Health is. Right now as we are in this House…

Deputy Speaker: What is wrong Hon. Matunge?

Hon. Peter Matunge: Mr. Speaker, I believe the Hon. Member is out of order because he has just read the statement yet he is going ahead to debate on the statement. He should wait for the committee to answer the statement. The statement he is referring to, the committee answered the statement and he was satisfied. He should give the Committee and the Department time to respond to the statement he has requested.

Deputy Speaker: The Hon. Member is asking for a statement which should be responded to with the committee and we are not expecting results in this House today. He is putting emphasis for more clarification which I find it necessary for him to do that. Probably he could not put everything in writing. I am sure he is not going to take time and summarize so that we commit it to the relevant committee.

Hon. Joseph Kiguru: Mr. Speaker, it is very unfortunate but I understand the vice Chairperson for the Health Committee. *Wakati ataenda kwa wananchi wamchague na aingie katika hili Bunge kwa kupewa kura na wananchi ataelewa ni nini nasemea. Nauliza nipewe jawabu kwa sababu watu Wangu wanateseka. Ikiwa hiyo kamati haiwezi kufanya kazi tutaivunja na tuite watu wengine. Asante, Mheshimiwa Spika*.

Hon. Peter Matunge: Mr. Speaker, you have just allowed the Hon. Member to say that I do not represent anybody here while when I am in this House, I have the function of representing the people of Laikipia and I have represented them well. It is not just to say that it is only the elected Members who have the function of representation in this House. Again Mr. Speaker, you have allowed the Hon. Member to debate on the statement. Normally that is not the procedure.

Hon. Joseph Kiguru: Hon. Speaker, though he is representing Laikipia I've never seen…

Deputy Speaker: Hon. Joseph Kiguru I didn't give you time. All of us seated in this House, for the last three years or so that we've been granted powers by the Constitution to sit in this Honourable House… Hon. Zamzam Hussein please put off your microphone. Thank you. So all of us are representing people, and all of us are elected. As Members of this House, we have equal rights whether you have elected directly by the citizens of Kenya or by the parties. We have responsibilities in equal measures and we are serving the same people.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

So, Hon. Joseph Kiguru I find it very wise for you to withdraw the statement of saying the Member is not representing any citizens in this House. Indeed, he is, only that he is representing the ethnic minorities, people with disabilities, youth or such. In fact, he is representing other groups of Laikipia. With all due respect, Hon. Kiguru, withdraw the statement.

Hon. Joseph Kiguru: Mr. Speaker, Sir, I think I have put it very clearly: he is not representing the people of Igwamiti. I have never seen him in Igwamiti so I can't withdraw!

Deputy Speaker: I think I will allow two or three comments from other Members, which is not actually in order because if the Member is representing minorities on ethnic lines I'm very sure those minorities are in Igwamiti and in Mukogodo East, Umande and all over. So, anyway…

Hon. Jacob Endom: Asante sana, Bwana Spika. Nafikiri kila mmoja aliye katika Jumba hili ni kiongozi ambaye amechaguliwa na kuja kwenye hili Jumba. Kama hangekuwa Mbunge basi hangekuwa hapa. Pia, hili ni Jumba la heshima. Kwa hivyo Mheshimiwa Kiguru aondoe hiyo kauli ambayo ameitoa kwa sababu tumesikia wazi kabisa vile ambavyo amesema. Kuondoa kauli si jambo gumu.

Aombe msamaha na liishe. Kwa sababu ni wazi kabisa amesema kama angekuwa amechaguliwa kama yeye basi angekuwa anajua yale yanayotendeka huko. Aondoe hiyo kauli kwa sababu Mbunge yeyote aliye hapa amekuja hapa kuwakilisha kila mtu aliye katika Kaunti ya Laikipia.

Hon. Veronica Ikunyua: Asante sana, Bwana Spika. Mimi pia nimesimama kuunga mkono kwamba Mheshimiwa Kiguru aondoe kauli hiyo kwa sababu anajua vizuri sana kwamba unapochaguliwa kama mwanakamati unawakilisha watu katika wodi zote za Laikipia. Tumekuwa pamoja naye tukichunguza huo mradi wake kwa hivyo aondoe hiyo kauli kwa vile ni jeuri sana. Asante.

Hon. Salma Zamzam: Asante sana, Bwana Spika. Mimi pia nasimama kama mwakilishi wa wachache katika Kaunti nzima. Nikinukuu, naomba…

Deputy Speaker: What is it Hon. Mugweru?

Hon. Daniel Mugweru: Mr. Speaker, I just need your guidance because you started by saying *"even if it is not in order".* If it is out of order, why are we continuing to discuss it? If it is out of order, we should stop it right there. You started by saying *"though it is not in order",* then it is out of order. We should go to the order of business. Thank you.

Hon. Salma Zamzam: Asante, Bwana Spika. Nasimama kusema aondoe hiyo kauli kwa sababu kila mtu aliletwa hapa. Yeye aliletwa na watu wa Igwamiti, hatujakataa. Bali kumdhalilisha ndugu yetu kwa kusema kuwa hakuna mtu anayemwakilisha, yeye anawakilisha walio wachache katika Kaunti nzima. Tutaendelea kufanya mjadala kuhusu hiyo hoja katika hili Bunge na sioni kama ni vyema kufunzwa jinsi ya kutumia utaratibu. Taratibu ziko na tunajua tunazo. Hicho kiti cha mwakilishi wa wadi tutaacha na kuenda kwenye viti vikubwa Zaidi. Tupatane mbele, asante.

Hon. Mutahi Muritu: Mheshimiwa Spika, sikukosei bali nasimama kama mwanachama wa jopo la wanaspika na pia mwanachama wa kanuni na taratibu za Bunge. Kuna mahali utaniruhusu nikukosoe kwa sababu ulishatoa maamuzi kwamba Mheshimiwa Kiguru aondoe kauli kisha baadaye ukafungua mlango wa sisi kuwa na mjadala. Nikiungana na Mheshimiwa kutoka Umande, kwa idhini yako, Mheshimiwa Spika unaleta mkanyagano.

Tayari Kiti kimetoa uamuzi kwamba Mheshimiwa Kiguru aondoe kauli. Haingestahili kuwe na mjadala aondoe ama asiondoe. Huo ndio ulikuwa mwongozo. Mimi nasimama kulingana na kanuni zetu ambazo ziko wazi kabisa. Tunapojadili hili tunajenga hoja zingine ambazo hazikuwa za msingi. Wewe unaelewa kabisa kwamba katika Kanuni za Bunge, sidhani Mheshimiwa Kiguru ni hoja, lakini sasa umegeuza kauli yake kuwa hoja.

Tukosoane kidogo, Mheshimiwa Spika. Umeshatoa uamuzi kwamba Mheshimiwa Kiguru aondoe kauli lakini baadaye ukafungua mlango wa kuweza kuleta mjadala. Nakuomba utumie busara yako na ninaamini kwamba utatoa uamuzi ulio sahihi ili tusonge mbele kwa sababu tuko na biashara ambayo ni muhimu sana. Suala tulilokuwa tunajadili ni uamuzi na liko chini ya mamlaka yako. Asante.

Deputy Speaker: Hon. Members, I'm finding it very funny that Members are asking to put in their views yet I didn't ask anyone. I just feel that it is necessary for them put in their voice. At the same time, people are criticizing the Chair on why he's allowing this yet it is you who is pressing that you'd like to put more emphasis on the same.

Anyway, it's very good for Hon. Kiguru to hear from different Members how they're feeling, how it should be and how it is. We're very much in line and I am sure he has seen where he's gone wrong. Hon. Joseph Kiguru I will still give you another chance after hearing the views of some Members, that you just withdraw this because it is very clear that the Hon. Member is representing ethnic people in this County and members of ethnic groups are actually across many wards, if not all. So, just withdraw that and then we get moving.

Hon. Joseph Kiguru: Mr. Speaker, Sir, I think from the Chair that you're seated in, before I withdraw I need a bit of clarity on what I am withdrawing from. One, am I withdrawing saying that I am representing Igwamiti Ward and he is not, or what am I withdrawing? It is due to the weakness of this same Committee that that work is not yet done. I can't withdraw unless you clarify what I am withdrawing from.

Deputy Speaker: Hon. Joseph Kiguru just try to calm down. I'll take time, Hon. Member… Order! Hon. Joseph Kiguru. I'd like to take time and go back and actually make you to understand what we want you to withdraw. It's very true that you're representing the people of Igwamiti Ward which is the largest ward in terms of population in this County of Laikipia. That is very true.

At the same time, when we enter into this House we are all equal Members of this House. Either elected by ten people, nominated by one party or representing five hundred Laikipians. We are all equal in the eyes of Hon. Speaker in this House. So Hon. Member, what we are just telling you to withdraw is that this member is not representing anybody in this

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

county and across the wards. He is a special elected Member in that whole Ward you are representing.

There might be some ethnic groups. One or two people and then he is representing the whole county. Now, if I need any help I will ask for any Member to give me, but please before that, give me time. So Hon. Joseph Kiguru, that's what we are asking you to withdraw.

Hon. Joseph Kiguru: I don't remember mentioning he is not a representative. He is representing Minority but not the people of Igwamiti. I don't have minority in my ward. Mr. Speaker, Sir, I don't have. He is here on behalf of the minority, how can I withdraw? Am the super MCA representing forty five thousand people with a population of a hundred and sixteen!

Deputy Speaker: So Hon. Members, let us stand guided we are in the Honourable House. The likes, choruses, answers from anywhere, they are not encouraged or they are not allowed for that matter. I think I have gone back trying to explain to Honourable Member what we are asking as a House to withdraw. I am not understanding why the Member is not getting what I am saying or whether he has just made his mind that he won't apologize. That would be my second thinking.

If I give you a chance, one to and have gone back trying to explain this and that slowly and am trying to calm you down and you are not doing it, then I must grant fair hearing for any other Member of this House. If today you insult a Member in front of me in this this House, Order Hon. Joseph! I have said if you insulted any Member in this House then it is my responsibility as the Chair of this House to ensure that Member observes the decorum of the House. But now if there is a need to apologize to any member, and we have been doing this for so long. I have been going backwards and forwards trying to make you understand that this is the statement that is bringing this contagious issue. Why don't you apologize? There is a need for you to do that.

Look, this Member is representing ethnic groups in this County. You said until he goes back to the next election that's the time he will understand the pain of representing someone. Yes, it could be very true there is no ethnic person in Igwamiti. That's fine. Well, am saying it could be true that there is no ethnic person in Igwamiti, it is in Umande, it is in Salama, or in this other Wards. This Member, does not need necessarily to wait for the 2022 elections to be elected to represent his people. He is at the moment representing the people of Laikipia.

So Hon. Joseph Kiguru for the last time, am giving you a chance to withdraw that statement and apologize to this Member. He is representing Laikipians probably even if you don't have any Ethnic person in Igwamiti then it could be true. So Hon. Joseph Kiguru for the last time withdraw that statement and apologize to the Member very much in order so Hon. Kiguru….

Hon. Joseph Kiguru: I think Mr. Speaker, Sir. The Hon. Member Peter Matunge because he is of the same age with my son just to show him the way, I withdraw and apologize. Thank you Mr. Speaker, Sir.

Deputy Speaker: Thank you Hon. Kiguru. Clerk, next Order. So the Member had requested for a Statement on the construction of Kiandege Dispensary in Igwamiti Ward. He

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

has requested to know one, two, three things. This statement will be handled by the Committee of Health Services. Hon. Chair and Hon. Members of the said Committee, I can see some Members in this House. I would like to know the time frame you will take to respond the Member representing people of Igwamiti on the said issues.

Hon. Veronica Ikunyua: Thank you Mr. Speaker. I will forward it to the Executive and as you know our work is oversight. I will make sure I will follow it up and bring it in two weeks' time.

Deputy Speaker: Thank you Hon. Chair for Health. If I was not the Speaker this afternoon, I could have clapped for that Committee. At least I know two weeks' time is much in order. I am very sure residents of Igwamiti through their representative will get a response to the said matter. Hon. Member Chairperson for Health Committee, please try to meet those deadlines.

MOTION

COUNTY ASSEMBLY CAR GRANT SCHEME FUND

Hon. Mutahi Muritu: Thank you Mr. Speaker, Sir. On behalf of Majority Party Leader I beg to move the following motion;

> THAT pursuant to a Circular by the Salaries and Remuneration Commission (SRC), Ref No. SRC/TS/COG/3/61/48 VOL II (113) on the review of the Car Loan for the Speaker and Members of the County Assembly;
>
> NOTING THAT the Salaries and Remuneration Commission deliberated on the matter taking into consideration the Constitutional principles of affordability and fiscal sustainability, fairness and transparency. When reviewing, setting and issuing advice on remuneration and benefits for State Officers and other public officers as outline in Article 230(5) of the Constitution of Kenya 2010.
>
> FURTHER NOTING that SRC took into account Section 12(1) of the Salaries and Remuneration Commission Act of 2011. Which outlines the principles of equity in remuneration and benefits.
>
> NOW THEREFORE, this House URGES the County Assembly Service Board to convert Laikipia County Assembly Car Loan (Members) Scheme Fund established under the Public Finance (Laikipia County Assembly Car Loan (Members) Scheme) Fund Regulations, 2014. To car grant applicable to the current members of the County Assembly and the Speaker as provided for under the above mention circular.

Thank you Mr. Speaker, Sir. I request Hon. Simon Kanyutu from Marmanet to second the motion.

Hon. Simon Kanyutu: Thank you Mr. Speaker. I stand to second. We don't have much because this a circular that was given by the President. It is just implementation and we have

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

been paying this rule. I don't think there is anything more we need to deliberate. The Head of State has stated. We do not have much to say only to pass what he proposed. Thank you.

(Question Proposed)

Hon. Joseph Suge: Thank you, Mr. Speaker, Sir. I also rise in support of this motion as the mover has proposed before this Assembly, that the Assembly car loan be converted to the Assembly car grant. This is an issue that the President of this Republic has given directive. I also wish to take this opportunity to thank the President for this consideration to the Hon. Members of County Assemblies because this has been a long awaited motion. I was in this Assembly in the year 2013 and we also fought for the same but God's time is the best as we have now reached the agreement.

I know that the Members of County Assemblies have been struggling because of the mobility going to the electorates, supervising and also discharging the mandates of the Assembly in regards to the oversight. Therefore, this directive is of great support to the MCAs because previously it was seen as an electoral matter. What was happening in the National Assembly and the Senate was not like what was happening in the County Assemblies. So for this consideration I support the motion for adoption by this Assembly. Thank you.

Hon. Daniel Mugweru: Thank you, Mr. Speaker. I rise to make my contribution on the motion on Laikipia County Assembly Car Grant. I have gone through the motion and felt that I should make my contribution on the same. It has clearly stated that it was a circular and I was asking myself a question on whether a circular is supposed to be pushed or supported by a motion. We have so many circulars which come into this County Assembly and none of them have ever been accorded with a motion.

So I was asking myself whether the legal team of this Assembly have been asleep for all that time and now they have just woken up or what has transpired that a circular that comes from an institution like SRC be supported by a motion. I was wondering whether the law requires for any circular to be supported by a motion so that I may understand and know that by now maybe the circulars that have come into this Assembly and have not been supported by any motion whether they have been illegal.

Mr. Speaker, some of these things that we just wake up and start doing that have never been done before, raises a lot of questions on the credibility and efficiency of our legal committee. So that is the much I can contribute for now because the questions I am asking myself, the legal team is not here to answer but those are the thousand questions which I am asking myself. At the right time I feel that I need to be answered. Thank you.

Hon. Peter Matunge: Thank you, Mr. Speaker. I also wish to thank the Hon. Member who has moved this motion. I also have some concern on the same. As much as we want to support this motion, at times we need to understand the implication of this motion. I was listening to the Controller of Budget when he did a letter to the SRC on the implementation of that letter and all the issues which he was raising is the implementation of that circular.

One of the things we are saying is about amending our regulation to reflect the car grant rather than the car loan. Therefore, today I could have expected to see an amendment of the car

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

loan 2014 to car grant. So I was just asking myself the implication of this motion because I don't know why we are doing it or we are doing it as a formality. I expect very soon to have an amendment of the fund regulation 2014 to reflect the car grant rather than a motion because a regulation amended is stronger than moving a motion. Mr. Speaker, I think that is my contribution on this.

Deputy Speaker: The mover to give a reply.

Hon. Mutahi Muritu: Asante, Mheshimiwa Spika. Hata kama mimi ndiye nimewasilisha kwa niaba ya Kiongozi wa Walio Wengi, pia mimi binafsi kama vile wachangiaji walivyosema, msimamizi wa pesa za serikali alikuwa ametoa maoni ya kwamba wajibu wetu kama sisi Bunge ni kupitisha sheria zinazoongoza huu mfuko lakini ukumbuke ya kwamba pesa za serikali, ndio ni swala nzuri sana tunalojadili hapa na kwanza nimshukuru Mheshimiwa Rais kuweza kutoa huduma zaidi kwetu Wajumbe kwa sababu ninaamini ya kwamba sio magari tu lakini hata ikiwezekana hata manyumba kama angeguzwa anaweza kutusaidia kama wajumbe ili hata sisi wakati mwingine tunapotoa huduma tuwe tunajihisi vizuri.

Mheshimiwa Spika, swala hili lenyewe sio swala la kuchukulia tu kwa mzaha. Lilihitaji kwamba aliyetoa na ninaamini ya kwamba Kiongozi wa walio wengi ndiye mwenyekiti wa jopo husika na wewe Mheshimiwa Spika ukiwa umeketi kwa hicho kiti wewe ni mwana chama. Kwa hivyo tunastahili kulijadili kama vile Mheshimiwa Matunge alivyosema ya kwamba tunachokijadili ni kwa nini tumeleta mswada. Manufaa yake ni yapi kwa sababu kulingana na msimamizi wa bajeti alisema ya kwamba sisi tufanye marekebisho sheria inayosimamia mfuko lakini leo tumekuja kuwasilisha mswada katika Bunge.

Kwa wazo langu mimi mwenyewe nimechukua kwa niaba ya Kiongozi wa Walio Wengi katika Bunge na mimi ni naibu wake lakini mimi nilichokikuta ni mswada na nikaona ya kwamba kwa sababu sio mtu binafsi mbali ni ofisi bali niwasilishe. Wana sheria wetu, pesa zenyewe zimechukuliwa na mfuko wenyewe umeundwa basi tujue kanuni ilikuwa inasema aje na pia maagizo iliyotoka kwenye msimamizi wa bajeti yalisema aje tusije tukajifunga na ilhali tulipitisha mswada na tayari hatujaifanyia sheria kanuni zetu zenyewe marekebisho.

Kwa hivyo kwa wazo langu Mheshimiwa Spika, mahali tumefikia ni vizuri na umeniita lakini ningekuomba kama ungeweza tuiahirishe hadi kesho asubuhi ili kesho asubuhi tuweze kulitolea maamuzi kwa sababu sisi ni waunda sheria na tusije tukafanya kitu bila kuwa na ushauri wowote. Kwa hivyo mimi kama aliyewasilisha hoja naomba uahirishe hilo swali mpaka kesho asubuhi. Nakushukuru.

Deputy Speaker: Therefore, because of the request by the mover of the motion although I don't see anything contradicting in this motion, but because the mover has requested of the same, the putting of this question will be done tomorrow morning. It will be the first business that will be dealt with at 9.00 a.m.

(Motion deferred)
